Victory and Commemorative Issue

Education

At school we are instructed in subjects which develop our abilities in order that we may take our part in the hurly-burly of life.

In business we soon learn the value of protecting what we earn by our efforts.

To assist in the wise investment of surplus funds, experienced guidance is available and our organization, trained for this purpose, is ready at all times to serve investors, large or small.

Mail or telephone enquiries
receive prompt attention.

DR. PERCY J. ROBINSON, M.A., L.L.D., F.R.C.S.,
Classical Master, St. Andrew's College, 1899-1946

Ave Atque Vale

BE strong and of a good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest.

THE souls of the righteous are in the hand of God, and there shall no torment touch them.

In the sight of the unwise they seemed to die; and their departure is taken for misery, and their going from us to be utter destruction: but they are in peace.

For though they have suffered in the sight of men, yet is their hope full of immortality.

And having been a little chastened, they shall be greatly rewarded, for God proved them, and found them worthy for himself.

As gold in the furnace hath he tried them.

THEIR glory shall not be blotted out. Their bodies are buried in peace, and their name liveth for evermore.

DR. P. J. ROBINSON

CLASSICAL MASTER, ST. ANDREW'S COLLEGE, 1899-1946

AT the close of this school year, and after forty-seven years as senior and classical master, Dr. Robinson will end his active association with St. Andrew's College.

It will be difficult for generations of boys, masters, and friends of the school to picture St. Andrew's without him.

First appointed to the staff in 1899 as housemaster and head of the department of classics, Dr. Robinson has contributed throughout the years, not only rare scholarship and true teaching, but also willing and invaluable service as assistant headmaster. Those in authority have gained much from the fruits of his wide perspective and sound judgment.

During his long period of service, many boys have gone from the school and have become useful and distinguished citizens. While remembering the teacher, they will not have forgotten the patient, courteous and kindly man. In this connection, there could be mentioned such Old Boys as the Rt. Hon. Vincent Massey, and fittingly enough, a son, Dr. Gilbert Robinson, the distinguished mathematician.

A man of varied intellectual interests, Dr. Robinson is recognized as a foremost authority on the French period in Canadian history. His researches in that field have produced a translation of the *Jesuit Relations* from the Latin, and an intimate history of the Toronto region during the French regime. To other honors that have come to him, there has recently been added that of being made Fellow of the Royal Society of Canada.

The school extends to Dr. Robinson the wish that many years may be given him to pursue in tranquillity those investigations which already have recorded so much about the heroic past of this country.

R. L.

EDITORIAL

IN this the Victory and Commemoration issue of the Review, we record the glorious part played by the men of St. Andrew's College in the second World War. We list all of those who served and in what capacity, especially honouring the memory of those who did not return when hostilities had ceased.

* * *

At the writing of this editorial, the school nears the end of the first year since the conclusion of the war. Throughout that war and throughout the forty-seven years of its existence, St. Andrew's has encountered and weathered many crises. And now we are faced with the irreparable loss of one who has been a mainstay during all these years.

Having spent forty-seven years in guiding two generations through the mazes of Latin and Greek, Dr. Percy J. Robinson is retiring. This kindly gentleman, exemplifying in himself keen scholarship and sound thinking, has influenced the lives of countless boys. After a life time unstintingly devoted to the welfare of St. Andrew's, how can we adequately express our gratitude? Mere words cannot pay tribute to this man, for words are incapable of expressing the admiration, affection, and respect which we hold for him. We can but voice the feelings of all his pupils, past and present, and say that we are proud to have been taught by Dr. Robinson, privileged to count him as a friend.

* * *

It has been interesting to observe the many re-adjustments which have been necessary in the first post-war year at St. Andrew's. Along with the increase of boys, the School's activities have increased. The achievements in the Athletic Department, (and there have been many), are outlined more fully in the Sports Editorial. The Cadet Corps has played its usual important part in school life.

We have noted with great pleasure the revival of several intra-mural organizations such as the Literary Society and the Penguin Club. It is to be hoped that these, as well as similar groups will be encouraged to promote various interests in the school.

A complete account of these and other school activities appears in later pages.

* * *

It is with great pleasure that we welcome Mrs. Henry Holden and son, Michael, to St. Andrew's. Mrs. Holden arrived in Canada from her home in England on the 27th of March, and came directly to the school where Mr. Holden has been teaching since September. We extend to Mr. and Mrs. Holden and Michael our best wishes for a long and enjoyable stay at St. Andrews.

* * *

Since the Christmas issue several newcomers have put in an appearance. We are happy to welcome to St. Andrew's, William Andrew James Wright, born January 23rd, 1946, son of Mr. and Mrs. J. L. Wright; Christopher Graham Carman, January 28th, 1946, son of Mr. and Mrs. D. R. Carman; and Montye Bruce McCrae, born March 23rd, 1946, son of Mr. and Mrs. J. M. McCrae. The Review offers its heartiest congratulations to the respective parents.

We take this opportunity of extending our best wishes to Miss Jessie Smith, R.N. Miss Smith came to us at the end of January to assume the position of Upper School Nurse. We sincerely hope that she will enjoy her stay at St. Andrew's.

* * *

We who are leaving St. Andrew's sincerely hope that St. Andrew's future becomes brighter and more successful with each successive year.

ACKNOWLEDGMENTS

The Review staff and Editors would like to offer sincere thanks to the following persons without whose valuable aid our task would have been much more difficult:

- To Miss M. L. Mackay whose infinite patience and invaluable aid have so often helped us out of Editorial dilemmas.
- To Mr. C. L. Lambertson our Staff Adviser who has given the majority of his spare time in order to make this magazine a success.
- To Mrs. A. G. Bricknell for her review of the School Play.
- To Mr. T. B. D. Tudball for his assistance in compiling the War Record of the Old Boys of the school.
- To Dr. Robinson for his preface to the War Record of the School.
- To Mr. N. D. Lane for his memoriam to Mr. Grant.

In Memoriam

IN this Memorial Number the Review publishes the roll of all those who served in the armed forces, the honours awarded for gallantry in the field and the names of those who have given their lives in the struggle for the preservation of freedom. Five hundred and ninety-four of our Old Boys enlisted in armed forces, sixty-four honours were awarded, forty-three fell in battle or died as the result of injuries received.

The dark cloud has passed. The fears and apprehensions which shadowed our lives have given place to thanksgiving for a great deliverance and for a victory so complete and decisive as to exceed our most eager anticipations. We have returned to the security and the comfort of peace. Already such terrible events as the conquest of Poland, the retreat from Dunkirk, the bombing and threatened invasion of England, the loss of Hong Kong and Singapore, the evacuation of Greece, the retirement of the British forces in North Africa to the gates of Cairo, the battle of the Atlantic, the Russian retreat and the prostration of France are fading into oblivion.

With our eyes on the future we may now cease to think too long and too bitterly about the tragedy and misery of the earlier years of the war; but let us never forget the marshalling of the forces of the allies, and the glorious part played by Canada in raising an army of more than four hundred thousand recruits, in transporting them overseas, in supplying food and equipment, in training a huge air force, in building a navy and in sending numberless skilled craftsmen to this the most scientific of all wars. It would take much space to describe in detail how our country has discharged her duty; it is enough to record that Canada emerged from the struggle holding a high place among nations.

Nor is it possible, as in the case of the first Great War in which so many Andreans saw service, to present an outline of the progress of events as a background for the splendid performance of our Old Boys. The scope of operations in the recent war has been too staggering, too gigantic. Sea and land and sky of both hemispheres were involved. New methods of warfare have made the past antiquated. It would be difficult to enumerate all the scientific and medical services in which former Andreans have distinguished themselves both in and out of uniform. It is only possible to hint at the vastness of the struggle and to rejoice that so many old boys of the school were able to contribute their skill and endurance and courage and to do their part.

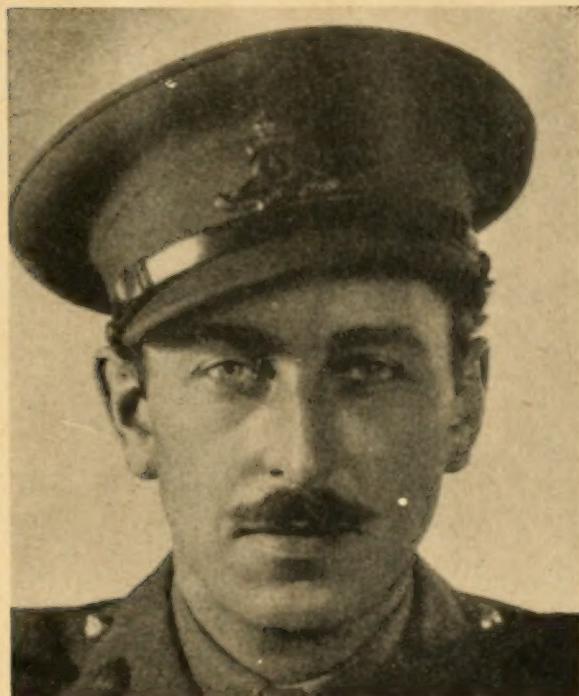

The long months of special training in England were perhaps the most trying period. For a time the Canadian forces were the sole guardians of the Mother Land. When the tide at last turned, and when with the entrance of the United States into the struggle there came a new expectation of victory, plans were perfected for the invasion of the continent and the greatest of all military dramas began to unfold. The part played by the Canadian Army was distinguished. The Sicilian and Italian campaigns preceded the landing in Europe and from D-day to the surrender of Germany Canadian forces fully trained and magnificently equipped were foremost in hastening the defeat of the enemy.

It is the intention at a later date to erect a memorial tablet in the chapel containing a list of those who fell. May the memory of these great but sad and tragic years incline us all to study the things that make for peace; to live without rivalry and jealousy; to try to understand the aspirations and the hopes of nations whose language we cannot speak; to think nobly and to live generously. If such a harvest should be reaped from so much tragedy our boys will not have died in vain.

PROPERTIES.....	J. L. Howland
STAGING BY.....	A. M. Smith, M. J. Powell P. J. Errington, F. D. Lillico

The director and cast of "Arsenic and Old Lace" wish to thank Mrs. K. G. B. Ketchum and Miss G. H. Davidson for their invaluable assistance in interior decoration, Mrs. D. R. Carman for her portraits of the Brewster ménage, and Mr. Biggar and Mr. Badger for special effects.

One of the most successful productions in the history of the Little Theatre was that of "Arsenic and Old Lace", performed on 7th, 8th and 9th of March, under the direction of Mr. Lambertson.

By choosing a play which had so recently filled the theatres of New York and, later, London, and which eventually reached a still larger audience through the medium of the motion pictures, he seemed to have set himself and his amateur company a far goal indeed. Where could be found at St. Andrew's two dear old ladies, grey-haired and soft-voiced, with such charitable hearts beating beneath the lace of those eccentric bosoms? Surprisingly, they were there all the time disguised as Mackinnon and Flath! What about a bibulous Viennese quack? Well, there was Magee . . . and so, through a diversity of types, Mr. Lambertson selected his actors with insight and imagination. Then he proceeded to construct a frame for his handiwork: solid with mid-Victorian discomfort and embellished with two 'Family' portraits from Mrs. Carman's witty brush, the finished setting was extremely effective.

Amongst such a good company, it would be unfair to single out any one performer for special praise. Each contributed his share to the excellent sum-total of this fantastic and hilarious evening's entertainment, irrespective of whether his part was brief or otherwise. The chief roles were expertly handled by Mackinnon, Flath, Davis, Magee, Rodwell and Shaver.

As the curtain rises, Mackinnon (Abby Brewster) presides daintily over the afternoon teacups while entertaining the vicar and enjoying a cosy parochial chat by candlelight. Cocking (Rev. Dr. Harper), who was admirably clerical in manner, blandly ignores the somewhat awkward moments occasioned by the eccentric behaviour of his hostess' nephew, Teddy. Shaver (Teddy Brewster) caught to perfection the childishness, alternating between wilfulness and tractability, of the mentally deranged. When Flath (Martha Brewster) flutters in, tastefully gowned and just returned from an errand of mercy, the two sisters very soon reveal themselves as the most accomplished yet benevolent pair of murderesses imaginable. Rodwell (Mortimer Brewster) and Miller II (Elaine Harper) supplied the 'love-interest'. The manner in which Rodwell treated his betrothed was certainly one which no self-respecting girl would tolerate in a less progressive age. Miller took insults and endearments alike without flinching, however, and managed to look attractive in a feminine way without losing too much self-respect.

Mortimer Brewster is a much-harrid man: when one has unpredictable relatives, one should refrain from exploring the recesses of their window-seat. Hard on the heels of his shocking discovery of the corpse of an elderly gentleman in this improbable burial chest enters a would-be lodger who looks like becoming the next item on the old ladies' charity list. Burnie (Mr. Gibbs) delighted everyone with his characterization of a dere-

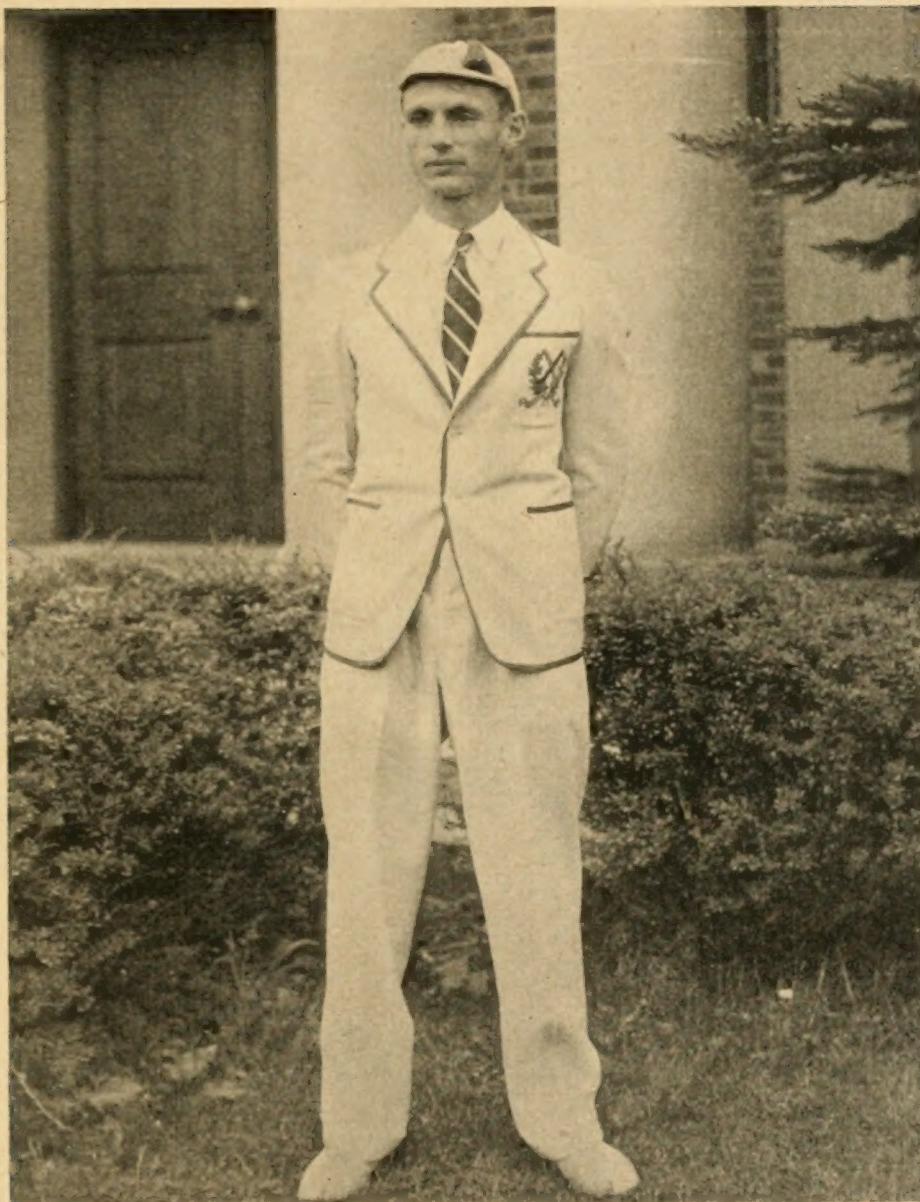

lict, cross-grained, little specimen of human flotsam who narrowly escapes being the victim of circumstances entirely beyond his understanding. With the unexpected home-coming of brother Jonathan and his rascally partner, Dr. Einstein, a distinct note of rivalry over the family hobby creeps in. The tally of victims is discovered to stand at 12-all and neither pair is willing to be satisfied with a draw. Davis (Jonathan Brewster) gave a fine performance in the macabre manner; many well-thought-out details, heightened the gruesome effect he produced. Magee (Dr. Einstein), venal and tipsy, was a most admirable foil for his sinister master and entered thoroughly into the spirit of his part with a false nose (putty) and a hip-flask (coca cola).

As events move to a climax, Teddy's nocturnal bugle-call brings the police to the scene. The 'men in blue' were ably represented by Errington I, Medland, Howson and Middleton II: the latter supplied a fine, full-flavoured dash of farce. Last on the scene, but by no means least, was Smith II (Mr. Witherspoon). He gave an air of quiet authority to his impersonation of Superintendent of Happy Dale Asylum. Meticulous, unruffled and prim, he gathers up the many loose strands of a tangled situation, and winds them to a neat conclusion. As the curtain falls, the indefatigable sisters are pressing upon the hapless Witherspoon a glass of their deadly brew in a last-minute effort to top Jonathan's score with a round baker's dozen of their own. Although McLaughlin had no spoken part, he submitted to plenty of rough handling in his dual role of Messrs Hoskins and Spenalzo (deceased) and spent much of the evening confined in the window-seat.

The cast later presented Mr. and Mrs. Lambertson with an engraved cigarette box, as a memento of a two months' hard but rewarding collaboration.

In Memoriam

It was with deep sorrow that learned of the death of Mr. Douglas W. Grant on March 8th, 1946. Always cheerful, and an inspiration to all who know him, Mr. Grant was born at Fort Erie in 1918 and attended public and high schools there. He took his Bachelor of Arts Degree at McMaster University in 1939, and then went to the Ontario College of Education. Mr. Grant was Assistant Mathematics Master at St. Andrew's College from 1943 to 1945. On April 2nd, 1945 he was married to Miss Betty Rowsome, of Colbourne, the marriage taking place at St. Andrew's College Chapel. We, the staff and boys of St. Andrew's College, extend to his wife and parents our heartfelt sympathy, and we shall always cherish the memories we have of Mr. Grant at St. Andrew's.

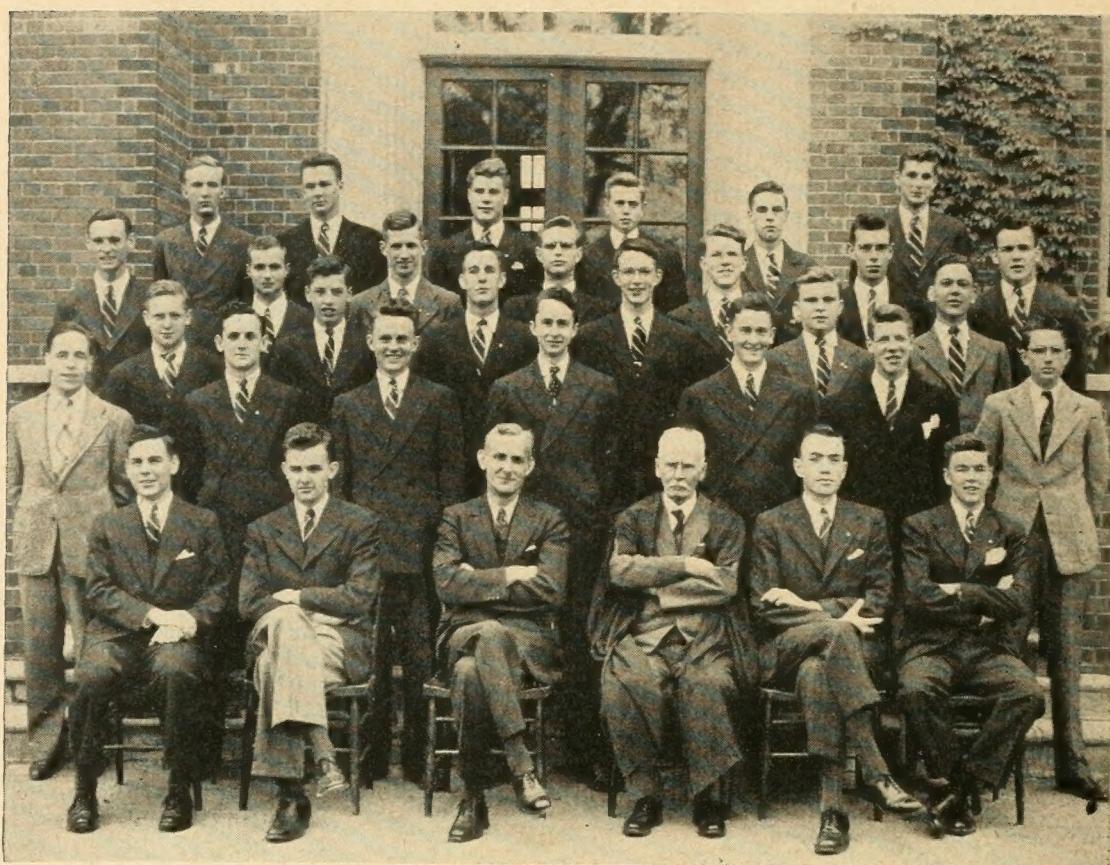

L. J. ERRINGTON—HEAD PREFECT

In his four years at Saint Andrew's, Joe Errington has proved himself more than able to assume the distinction and responsibilities of the Head Prefectship.

While in attendance here, Errington has excelled himself in the gym and on the athletic field. A long and serious illness in 1944 unfortunately delayed his graduation.

Having been a prefect last year, his duties as Head Prefect were not strange to him, and he has given himself to them enthusiastically. In addition, Joe is Captain of the Cadet Corps and Captain of the Wallace Clan; he has his first Rugby, Basketball, Track and Field, and Cricket colours; he is Captain of the First Cricket team; and he took part in the Senior School Play. Success and popularity have marked all his activities.

Conditions permitting, Joe hopes to enter Queen's University next year.

UPPER SIXTH

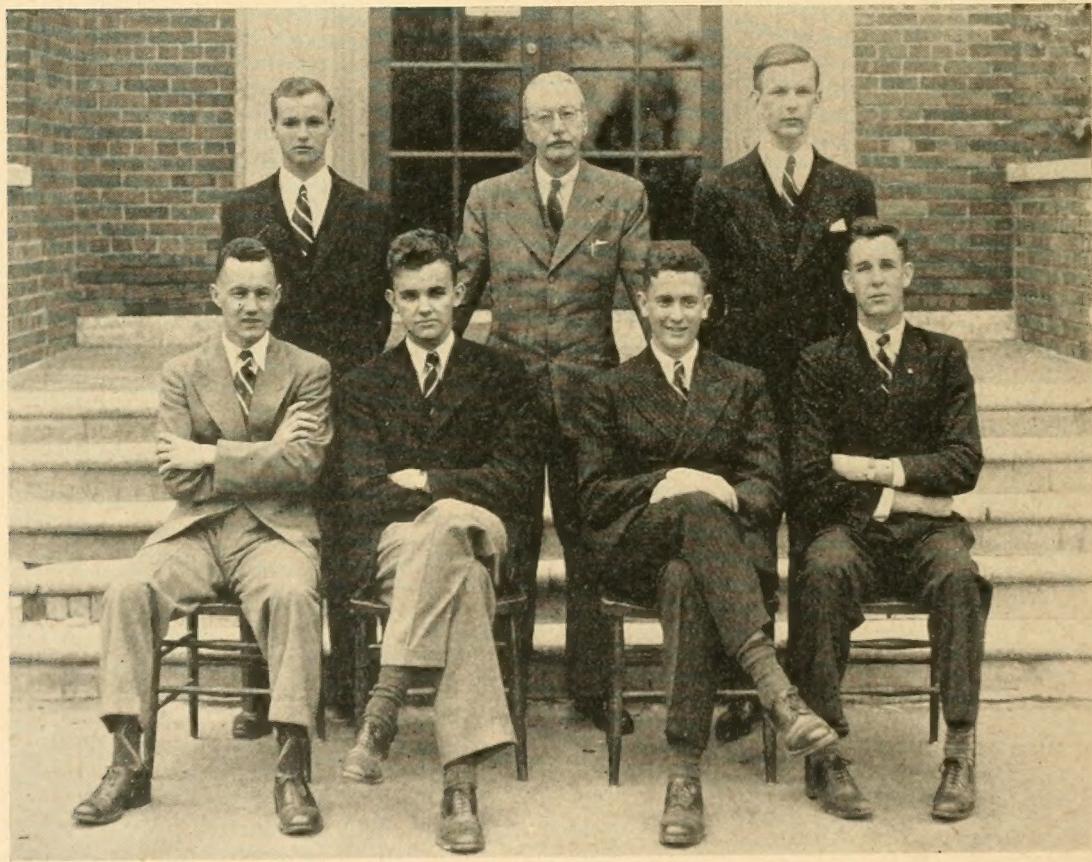

Front Row—P. D. McINTYRE, A. F. R. BROWN, K. G. B. KETCHUM, Esq., DR. P. J. ROBINSON, D. G. DAVIS, J. D. J. MURRELL.
 Second Row—G. C. MIDDLETON, A. W. MacMILLAN, F. A. MacKENZIE, J. L. COBBAN, R. A. MacKINNON, C. E. MEDLAND, D. J. H. BROWNE.
 Third Row—J. L. WATSON, J. C. P. ANGUS, A. M. SYME, P. M. HENDRIE, E. C. FREY, C. HERSH.
 Fourth Row—L. J. ERRINGTON, H. C. SMITH, W. A. LINDSAY, J. L. SHORTLY, A. M. HEISEY, G. J. HUTTON, C. B. TAYLOR.
 Fifth Row—R. B. HILL, G. W. ECCLESTONE, I. F. FLEMMING, T. B. CHIPMAN, A. M. SMITH, W. ERRINGTON.

UPPER SIXTH FORM

ANGUS, P. J. C. ('44-'46), Toronto, Ont.—Chapel Boy; plans to return to St. Andrew's next year.
 BROWN, A. F. R. ('42-'46), Toronto, Ont.—Head Boy; Head Librarian; member of the Review Staff; member of the Penguin Club; plans to enter the Faculty of Arts at the University of Toronto.
 BROWNE, D. J. H. ('44-'46), Kingston, Jamaica.—Chapel Boy; electrician for school play; plans to enter the Faculty of Engineering at McGill University.
 CHIPMAN, T.B. ('42-'46), Toronto, Ont.—Prefect; 1st rugby colours; 1st hockey colours; Captain of 1st. Hockey Team; 1st. cricket colours; member of shooting team; Pipe Major in the Cadet Corps; Vice-president of Athletic Association; plans to return to St. Andrew's next year.
 COBBAN, J. L. ('41-'46), Toronto, Ont.—Chapel Boy; member of the Penguin Club; plans to enter the Faculty of Arts at the University of Toronto next year.

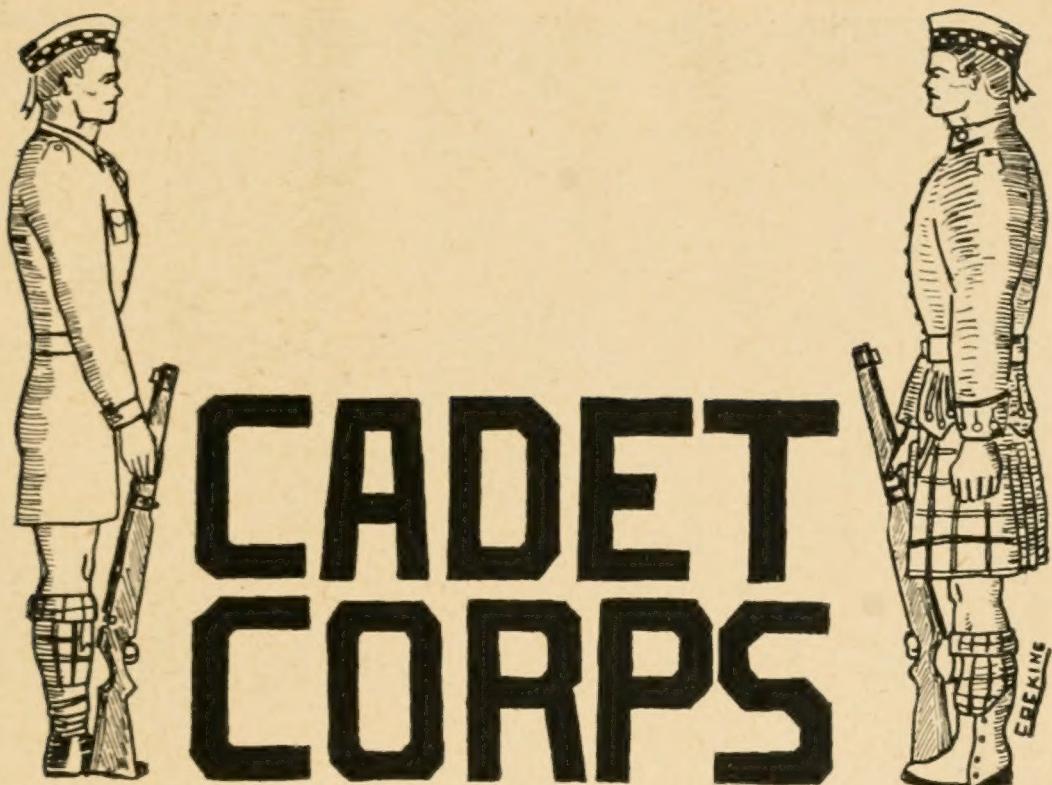

- DAVIS, D. G. ('41-'46), Newmarket, Ont.—Prefect; Editor of the Review; President of the Literary Society; C.Q.M.S. in the Cadet Corps; member of cast of the school play; plans to enter Faculty of Arts at the University of Toronto next year.
- ECCLESTONE, G. W. ('45-'46), Toronto, Ont.—1st. rugby colours; 1st hockey colours; plans to enter the University of Toronto next year.
- ERRINGTON, L. J. ('42-'46), Toronto, Ont.—Head Prefect; Captain of the Wallace Clan; Captain of the Cadet Corps; 1st. rugby colours; 1st. basketball colours; 1st. track and field colours; 1st. cricket colours; Captain of the Cricket team; member of cast of the school play; plans to enter Queen's University next year.
- ERRINGTON, W. ('42-'46), Toronto, Ont.—Prefect; 1st. rugby colours; 1st. hockey colours; 1st. cricket colours; 1st. swimming colours; Shooting Team; Vice-president of Literary Society; plans to enter the Faculty of Arts at McGill University next year.
- FLEMMING, I. F. ('41-'46), Toronto, Ont.—Prefect; Captain of First Rugby Team; Little Big Four All-Star; 1st. cricket colours; School Boxing Champion; Captain of the Bruce Clan; Lieutenant in the Cadet Corps; plans to enter the Faculty of Arts at the University of Toronto next year.
- FREY, E. C. ('43-'46), Toronto, Ont.—1st. rugby colours; 1st. hockey colours; 1st. cricket colours; Shooting Team; plans to enter the Faculty of Medicine at the University of Toronto next year.
- HEISEY, A. M. ('45-'46), Toronto, Ont.—Secretary of the Literary Society; member of the Review Staff; member of the Penguin Club; plans to enter the Faculty of Engineering at the University of Toronto next year.
- HERSH, C. A. ('40-'46), Kingston, Jamaica—Captain of the Douglas Clan, President of the Athletic Association; 1st. basketball colours; 1st cricket colours; Lieutenant in the Cadet Corps; plans to enter the Faculty of Engineering at the University of Toronto next year.
- HILL, R. B. ('45-'46), Toronto, Ont.—played on the First Hockey Team; plans to enter the Faculty of Engineering at the University of Toronto next year.
- HUTTON, G. J. ('42-'46), Toronto, Ont.—member of the Swimming Team; plans to return to St. Andrew's next year.
- LINDSAY, W. A. ('41-'46), Lima, Peru—Chapel Boy; swimming team; 1st. basketball colours; plans to enter the Faculty of Engineering at Glasgow University next year.
- MACKINNON, R. A. ('42-'46), Toronto, Ont.—Librarian; Sports Editor of the Review; member of cast of school play; plans to enter the Faculty of Medicine at the University of Toronto.
- MACMILLAN, A. W. ('45-'46), Hillsburg, Ont.—played on the Second Hockey Team; plans to enter the Faculty of Arts at the University of Toronto next year.
- MCINTYRE, P. D. ('44-'46), Toronto, Ont.—Chapel Boy; Winner of Best Cadet Cup; plans to enter the Royal Canadian Naval College at Royal Roads, B.C. next year.
- MCKENZIE, F. A. ('37-'46), Toronto, Ont.—1st. hockey colours; Sergeant in the Cadet Corps; plans to take a year's hospital training in preparation for entering the Faculty of Medicine at the University of Toronto in the year 1947.
- MEDLAND, C. E. ('38-'46), Toronto, Ont.—1st. hockey colours; 1st. cricket colours; Lieutenant in the Cadet Corps; member of the cast of school play; plans to enter the Faculty of Arts at the University of Toronto.
- MIDDLETON, G. C. ('43-'46), Huntsville, Ont.—1st. rugby colours; Little Big Four All-Star; 1st. track and field colours; member of the shooting team; plans to enter the Faculty of Dentistry at the University of Toronto next year.

- MURRELL, J. D. J. ('42-'46), Port Arthur, Ont.—Prefect; Coach of the Swimming Team; 1st. swimming colours; Lieutenant in the Cadet Corps; plans to enter the Faculty of Engineering at the University of Toronto next year.
- SAYLOR, J. W. ('42-'46), Trenton, Ont.—1st. rugby colours; Little Big Four All-Star; 1st. swimming colours; Shooting Team; 1st Track and Field colours; plans to enter the University of Toronto next year.
- SHORTLY, J. L. ('44-'46), Toronto, Ont.—1st. hockey colours; 1st. cricket colours; Secretary of the Athletic Association; plans to enter the Faculty of Arts at the University of Western Ontario next year.
- SMITH, A. M. ('43-'46), Welland, Ont.—1st, rugby colours; 2nd, Vice-President of the Athletic Association; stage manager for the school play; plans to enter stationery business with his father next year.
- SMITH, H. C. ('44-'46), Hamilton, Bermuda.—Librarian; member of the Review Staff; member of the Penguin Club; member of the cast of school play; plans to enter the Faculty of Law at the University of London, Eng., next year.
- SYME, A. M. ('43-'46), Segovia, Colombia.—Librarian; Shooting Team; plans to enter the Faculty of Engineering at McGill University.
- TAYLOR, C. B. ('45-'46), Galt, Ont.—1st. rugby colours; Little Big Four All-Star; 1st hockey colours; Swimming Team; plans undecided.
- WATSON, J. L. ('44-'46), Madoc, Ont.—2nd. hockey colours; plans to enter the Faculty of Forestry at the University of Toronto next year.

THE CADET CORPS

Drilling every morning since before the end of the Winter Term, the Corps prepared itself for the Annual Inspection, held this year on the twenty-second of May. It has been the policy of the Corps this term to emphasize elementary foot and rifle drill to the exclusion of some of the more advanced training given in previous years.

A great incentive to cadet work this term has been the hope on the part of all members of the Corps that the company should win, for the third consecutive year, the M.D. 2 Challenge Cup, given to the best Corps in this military district.

AURORA PARADE

On the afternoon of Sunday, May 5th, the Cadet Corps paraded to Aurora to take part in the Memorial Drumhead Service. Although the weather was threatening, a very successful parade was held.

Taking part were the Aurora Division of the Canadian Legion and the Cadet Corps of the Aurora High School and St. Andrew's College. The march-past took place in front of the Post Office, Brigadier Martin of Barrie taking the salute. The service was conducted by Rev. Purdue and Rev. R. K. Lightbourn, both padres of World War II.

The Corps was highly commended on its smartness.

THE AURORA PARADE

THE INSPECTION

Held on the quadrangle in front of the school buildings, the annual inspection took place on Wednesday, May 2nd. The Inspecting Officers were Brigadier C. Churchill Mann, C.B.E., D.S.O., District Officer Commanding Military District No. 2, and Brigadier J. E. Ganong, E.D., Officer Commanding the 48th Highlanders. The District Cadet Officer, Major G. W. Beal, M.C. was also in the inspecting party, as was Col. R. S. Timmis, D.S.O., who acted as A.D.C. to Brigadier Mann.

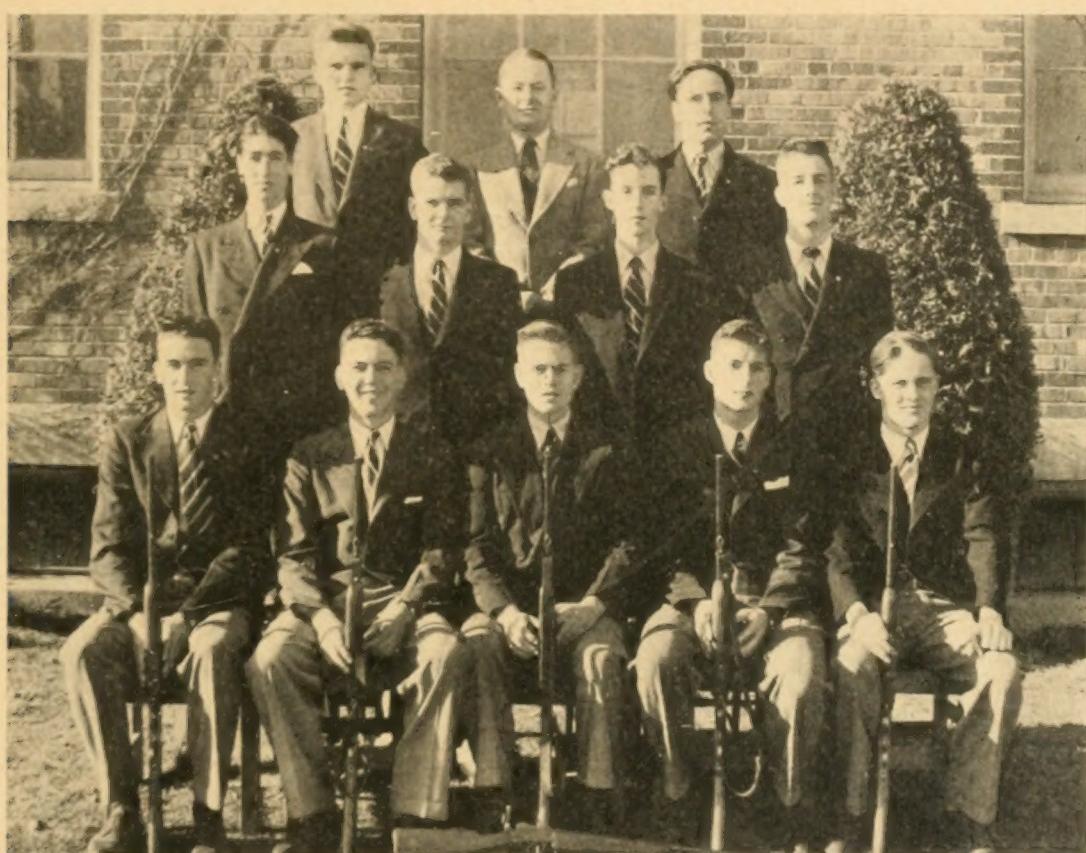

The Inspection included the Ceremonial Drill with Brigadier Mann taking the salutes during the march-pasts. Company drill under Cadet Captain Errington followed a demonstration by the band. Platoon drill, and the competition for the Ellsworth Trophy was conducted by the individual platoon commanders and sergeants. The precision squad, composed of officers and N.C.O.'s of the Corps, climaxed the inspection by an exacting display of rifle and foot-drill, under the commands of Lieut. Ian Flemming. A second performance by the band and the presentation of the trophies and remarks of the inspecting officers concluded the programme.

Excellent weather favoured the occasion, and a large crowd of spectators was present. The Corps was highly complimented by Major Beal, and by Brigadier Ganong, who expressed his pride at the Corps affiliation with his regiment. Brigadier Mann, in praising the afternoon's performance,

emphasized the importance of the discipline and physical training received through cadet activities.

The Ellsworth Trophy, given to the best platoon on parade, was won by No. 1 platoon. Lieut. Flemming received the cup from Brigadier Ganong. Captain Wright's Cup for the best Cadet was won this year by Peter McIntyre.

At the conclusion of the inspection the Corps picture was taken, and the Headmaster's treat distributed to all Cadets at the Tuck Shop. Supper leave was greatly enjoyed in the evening by officers and N.C.O.'s.

RIFLE TEAM

Front Row: J. MALCOLMSON, C. HERSH, T. CHIPMAN, W. ERRINGTON,
S. WARE.

Centre Row: O. EDMONDS, J. SAYLOR, J. RHAME, A. SYME.

Back Row: E. FREY, J. L. WRIGHT Esq., G. MIDDLETON.

RIFLE TEAM

This year's rifle team, resting on the strong foundation of six old members, acquitted itself creditably. Handicapped by lack of practice, the team nevertheless did fairly well in the D.C.R.A. Competition. Hersh and Saylor both earned gold medals by handing in aggregates of over 97, Hersh, the Captain, standing out in front with an average of 99. All members except one were awarded gold medals for scores above 90. The team was ably coached by Captain Wright, our Cadet Instructor.

THE LITERARY SOCIETY

After having been inactive for three years, the Literary Society was revived at an election early in the winter term. The Middle and Upper Schools nominated and elected the following officers:

D. G. Davis.....	President
W. Errington	First Vice-president
M. A. D. Magee	Second Vice-president
A. M. Heisey	Secretary

The purpose of the Literary Society is to arrange debates, plays, musical programs, and other activities of a literary nature. Under the conscientious leadership of its officers, and the able guidance of Mr. G. H. Taylor, the Society has concluded a most successful season. On behalf of the school, the Review wishes to thank Mr. Ian Galliford for his many excellent organ recitals, presented under the auspices of the Literary Society.

* * *

On Saturday, the 8th of February, "The True Glory" was shown in the Little Theatre. This film was concerned with the progress of the last war from the invasion of France by the United Nations to the final collapse of Germany. It was very much enjoyed and appreciated by all. An amusing and entertaining film featuring Laurel and Hardy completed the evening.

* * *

On Tuesday evening, the 12th of February, Mr. H. R. Stanton gave a recitation of several scenes from *Hamlet*. His humorous remarks and com-

ments were very much enjoyed by the boys of the Middle and Upper Schools, especially those of Upper Sixth who are taking *Hamlet* for their Senior Matriculation.

* * *

On Friday evening, 15th of February, the first debate of the Literary Society was held, the subject for discussion being, "Resolved; that corporal punishment is beneficial in the disciplining of minors."

T. B. Chipman and A. M. Heisey spoke for the affirmative side, A. F. R. Brown and J. J. Nold for the negative.

Dr. Rose, Miss Sinclair and Mr. Knowles (both the latter from the Aurora High School) were the judges, their decision being in favour of the negative.

All boys had an opportunity to speak from the floor at the end of the debate, and several amusing remarks were made.

D. G. Davis, president of the Literary Society and chairman, and the debaters themselves are to be congratulated on the manner in which the meeting was conducted.

* * *

On Saturday evening, the sixteenth of February, Mr. Galliford gave his first organ recital, a treat which was very much appreciated by the boys and staff present. Mr. Galliford's choice of selections was very wide, and his performance outstanding, showing great technical skill. The compositions were the first movement of "The Sonata in D Minor," by Alexandre Guilmant, the "Air and Variations" from Haydn's "Symphony in D Minor," "Canyon Walls" by Joseph Clokey, the "Toccatina for a Single Flute Stop" by Pietro Yon, and a "Toccata" by Alphonse Mailly.

* * *

On Saturday, the 2nd of March, Mr. Galliford gave his second organ recital. Numbers of staff members and boys attended. The programme consisted of the "Concert Overture in C Minor," by the blind organist, Alfred Hollins; the "Scherzo for Organ" by the English composer W. S. Hoyte; the late Italian-American organist Pietro Yon's "Echo"; and the "D Minor Toccata and Fugue" by the great eighteenth century composer, Johann Sebastian Bach.

* * *

The subject of the second debate, held on Friday, March 15, was: "Resolved that one year of military training should be made compulsory for all eighteen year old youths in Canada." The debaters, F. D. Lillico and R. C. Simpson for the affirmative, and W. R. Howson and L. C. Heit for the negative were chosen from the junior matriculation form.

REVIEW STAFF

Front Row—J. J. NOLD, C. L. LAMBERTSON, Esq., D. G. DAVIS, J. L. HOWLAND,
R. A. MACKINNON.
Second Row—P. B. BELL, D. C. McLAUGHLIN, D. B. A. CHASE, W. P. SKINNER,
R. C. ROBERTS, H. C. SMITH.
Third Row—W. P. LEWIS, R. G. KEMP, J. D. R. TAYLOR, P. M. HENDRIE,
V. W. RODWELL.
Fourth Row—L. C. HEIT, D. C. SHAW, J. L. LITTLE, J. R. G. COCKING,
A. F. R. BROWN, W. R. HOWSON.
Fifth Row—I. D. F. SCHOFIELD, R. C. SIMPSON, F. M. ROLPH.

Mr. Joseph McCulley, Headmaster of Pickering College, Mr. Mosey and Mr. C. R. Blackstock, members of the Pickering College staff, were the judges. Their decision was in favour of the negative. The judges also offered helpful suggestions and criticisms at the conclusion of the debate.

* * * *

Mr. Galliford's third organ recital, scheduled for Saturday, March 30th, was postponed until a future date.

* * *

A recital was given on Friday evening, March 22nd, in the Assembly Hall, by several of the more advanced music students. Mr. Ketchum, Mr. Galliford, and Mr. Bricknell also took part in the entertainment. The programme included two movements from Handel's "F Major Sonata" for violin, played by Mr. Ketchum, accompanied by Mr. Galliford, and a movement from Bach's "Double Concerto for Two Violins" by Mr. Ketchum and Shaw. Mr. Bricknell sang two German Lieder, "The Two

Grenadiers", and as an encore, Schubert's "Death and the Maiden", accompanied by Mr. Galliford at the piano. Flath played Schubert's "Impromtu in A Flat", Mozart's "F Major Sonata", and Bach's "Death Comes to All Mankind". Gedge and Watson concluded the programme, the former playing Debussy's "Reverie", and Bach's "Prelude and Fugue in E Minor", the latter playing Chopin's "Nocturne in E flat".

* * *

A very interesting talk was given by Col. R. S. Timmis on the evening of the 30th of April. Col. Timmis dealt with his work during the war, that of supervising the transportation of Personnel overseas. His description of the conditions aboard ship during the battle of the Atlantic held a very attentive audience. At the conclusion of his talk, members of the Literary Society were invited to ask questions.

CHAPEL NOTES

The Chapel services have for the past two terms continued to be an indispensable part of the School's activities. The work of the Chapel Boys has been very much appreciated by all and they are to be congratulated on a job well done.

The Review would like to express the School's thanks to those who have come to address the boys at the Sunday services.

As Mr. Galliford, the regular organist and music master at the school has been unable to be present at the Sunday services during the Spring term, the position of organist on these occasions has been filled by E. E. Flath. The school is very grateful to Flath for his excellent performances at these services.

* * * *

On Sunday, January the thirteenth, the Headmaster addressed the school. He dealt with the necessity of striving towards the ideals and teachings of Christ. Mr. Ketchum pointed out the uselessness of attempting to settle the manifold problems of to-day on any other than a Christian basis, and hence the need for all of a knowledge and understanding of Christianity.

* * * *

Rev. R. S. K. Seeley, M.A., D.D., Provost of Trinity College, delivered the sermon on January Twentieth. His topic was the value of time. He stressed the need of diligent application of all one's faculties, pointing out that God supplies confidence and ability to those who make good use of those talents which they possess.

On Sunday, January the twenty-seventh, Group Captain Gilbert Lightbourn, O.B.E., spoke in chapel. Group Captain Lightbourn, an old boy of the school, and chief padre of the R.C.A.F. Overseas, spoke on "The Dangers of Obedience".

* * * *

He told the boys how much St. Andrew's had given to him and to many other old boys and expressed his pleasure at visiting his old school again.

* * * *

Mr. Holden gave a most absorbing sermon on Sunday, February the third. He talked on how we must allow our souls to catch up to our bodies, and he gave many interesting examples to illustrate his remarks.

* * * *

There was no formal sermon on Sunday, February the tenth. Mr. Tudball read the first lesson, and T. B. Chipman read the second.

* * * *

On the morning of Sunday, February seventeenth, Mr. B. P. Colclough, conducted a service of Holy Communion in the chapel. At the evening service two lessons were read instead of a sermon.

* * * *

Mr. G. R. Taylor gave the first in a series of addresses on the four gospels on the first Sunday in March. His choice for his first address was the gospel according to St. Mark. Mr. Taylor presented many interesting facts on this gospel and its author.

* * * *

Two lessons were read in chapel on the tenth of March. Dr. Robinson, before his reading, remarked on the connection his lesson had with current events.

* * * *

The second address in the series given by Mr. Taylor was delivered on March seventeenth, on the gospel according to St. Matthew. The remarks on this gospel, made two Sundays after his first sermon, were most informative.

* * * *

On Sunday, March the twenty-fourth, Mr. Taylor gave the third of his addresses on the four gospels. He presented his talk on St. Luke's gospel in a most interesting and enjoyable manner.

* * * *

Mr. Joseph McCully, Headmaster of Pickering College, addressed the boys on the last Sunday in March on his impressions of European conditions. Mr. McCully, having made a trip to Europe recently, had first hand knowledge of his subject.

On the seventh of April, the Rev. E. G. B. Foote, O.B.E., R.C.N., Chaplain of the Fleet, spoke in Chapel. His theme, supported by his own experiences, centered around the misery, intellectual and moral, caused by man's inadequate conceptions of God.

* * * *

On the first Sunday of the Spring term, the Rev. Canon H. J. Cody, C.M.G., L.L.D., spoke in chapel on the set of ideals necessary for young men who were seeking to become good citizens. He told the boys that the future depended on them.

* * * *

The Rev. Vickars Short gave an address on the different people that God calls to the ministry and how many vacancies for young, sincere men were today waiting to be filled. His sermon on May fifth was one of the best in the school year.

* * * *

The chapel speaker on May twelfth was Principal W. R. Taylor. He delivered a very helpful sermon in which he pointed out the necessity of utilizing our natural talents and the importance of our spiritual growth in regard to this.

* * * *

On the fourth Sunday of the term Father Loosemore spoke on the two categories of people in the world, the 'givers' and the 'takers', and how they appeared in the eyes of the Almighty.

* * * *

Mr. Taylor gave one of the most brilliant sermons of the year on Sunday June second. His text was 'My kingdom is not of this world' and by reference to world events of the last few months he explained how an era of supra-national loyalties had begun. He expressed the idea that soon a struggle would arise between the forces of Communism and Christianity. His sermon was very much appreciated by all.

LADIES GUILD

Report of the St. Andrew's College War Fund from 30th January, 1940 to 18th February, 1946.

The St. Andrew's College War Fund was inaugurated on 30th January, 1940, at the suggestion of Dr. D. Bruce Macdonald, Chairman of the Board of Governors.

Those who have served on the Committee are:

Mrs. Lyman P. Howe,
Mrs. W. B. McPherson,—as Convener
Mr. Ketchum, Headmaster—as representative of the College.
Mr. Gordon Hewitt,
Mr. Hamilton Grass,
Mr. Martin Kent,—as representatives of the Old Boys Association.
Mrs. D. Bruce Macdonald,
Miss Hewitt,
Mrs. K. G. McKenzie,
Mrs. Brooke Bell,
Mrs. Roy Lowndes,—as representatives of the Ladies' Guild.

The Fund was financed by the Ladies' Guild, the Old Boys Association and the Boys of the College.

At first the parcels were packed by the Boys at the School, but owing to transportation difficulties and increasing numbers, this practice had to be abandoned; after which all parcels were packed and despatched by the Ladies' Guild Members of the Committee.

2,142 parcels were sent overseas at various times. Each one was composed of:—cigarettes, books, writing-pads, envelopes, pencils, small torch-light, knitted garments, maple sugar, chewing gum, chocolate bars, Oxo cubes, chicken, fruit juice, peanuts and Quaker kisses.

35 parcels, each containing cigarettes, books, pencils, note books, scribblers, games and sweat shirts, were sent to Prisoners of War.

As we were not allowed to send tobacco to the five Old Boys serving in the Imperial Forces, Mrs. Marsden, an English War Guest with a Boy at St. Andrew's, very kindly asked her husband to look after them for us from England. To her we extend our thanks.

Many letters of thanks and appreciation have been received, excerpts from some of which have been read with each report.

The contents of five Prisoner of War parcels were returned to us after V.E. Day and fifty books on hand were sent to Christie Street and Chorley Park Hospitals.

A gift was made to Miss Mackay in token of appreciation for the time and effort she expended in compiling lists for the Committee in addition to her regular duties.

The balance on hand to date of \$217.16 is to be held as a contribution towards whatever War Memorial may be decided upon by the Board of Governors.

(signed)

Flora L. McPherson,
Convener,
St. Andrew's College
War Fund.

18th February, 1946.

RECEIPTS

Sale of Surplus Stock	48.01
Bank Interest	11.45

	\$2,501.68

DISBURSEMENTS

To 2177 parcels sent overseas.....	\$2,234.52
(Average cost \$1.02)	
To Miss Mackay	50.00
Balance on hand to go toward School War Memorial	217.16

	\$2,501.68

PENGUIN CLUB

During the winter term, the Penguin Club continued to meet on Sunday evenings, but as the examinations drew near, it was necessary to discontinue the discussions. Two meetings held in the Library were open to the school, and guest speakers from Toronto were invited.

Dr. G. S. Graham, at an open meeting held in the library on Sunday evening, March 3, delivered an extremely interesting informal talk on the International Situation. In these days of confusion and unrest it was of great benefit to all present to have the opinions and analysis of such a noted authority. The school is very grateful to Dr. Graham for this address.

On Sunday evening, January 27th, the older boys in the Upper and Middle Schools heard a talk on Canadian Economics, given in the library by Mr. Proctor.

Speaking not as a politician, but as a layman deeply concerned over Canada's present and future, Mr. Proctor presented his points in such a fashion as to be readily understood. He stated that if Canada was to remain a prosperous nation and gain an increasingly prominent place in the world of today, each citizen must shoulder his share of the burden.

At the conclusion of the talk, Mr. Ketchum announced that Mr. Proctor had generously offered a prize of fifty dollars to the boy giving the most interesting eight to ten minute talk on "Canada's Economic Problems."

THE CALCULUS CLASS

During the winter term a group of Sixth Form boys attended classes in elementary Calculus given twice a week by Mr. Lane. These informal classes have been of great value to all who attended them as a preparation for University work. The class expresses to Mr. Lane its gratitude for his time and effort in making this instruction available.

LIBRARY NOTES

The School extends to the Ladies' Guild its thanks for their generous contribution towards Library magazines and periodicals. We are also very grateful to Mr. J. C. Nicholls for his gift of the latest edition of the Smithsonian Scientific Series, and to Col. Timmis for the "Four Years" and "The Fifth Year," an history of the second World War.

NIGHT ORDERS

Before the end of the winter term, 'Night Orders' were put into effect. A list of the people involved in the functions and duties of the following day composes the orders. This greatly curtails the number of announcements that would otherwise be made in the dining-hall, and also avoids much confusion. An important part of these orders is the 'daily question', the answer to which appears the following day. These queries, together with their answers, tend to increase the general knowledge of students.

THE FIRST TEAM BANQUET

On Friday evening, January 11th, the Old Boys' Association tendered a banquet to the members of the First Football Team at the Royal York Hotel in recognition of their outstanding success in Little Big Four Football this year.

The Headmaster and Dr. Macdonald were present at the banquet as were many Old Boys. Among their number were J. W. Taylor, H. K. Hamilton and R. E. Grass.

The First Team were piped into the dining room by R. McLeod. The banquet, including a main course of chicken, was greatly enjoyed by all. Toasts were proposed to the King and the Old Boys. In a short address, Mr. Grass proposed a toast to the Team, to which the captain, Ian Flemming, replied.

Dr. Macdonald then presented Flemming with a pair of gold cuff-links, engraved with the school crest. In his address, Dr. Macdonald recalled

some of the many other First Teams. Several former captains of the First Team then presented cuff-links to the other members of this year's team.

An extension of leave for the team was granted by Mr. Ketchum after some persuasion.

The banquet concluded with a display of magic, which was judged by all present to be exceptionally outstanding.

MOVIES

Through the generosity of Mr. Scott Montgomery, an old St Andrew's boy, the Upper and Middle schools saw some very interesting motion pictures on Friday, January 25th. Three of these films demonstrated the dangers of fire and the means of its prevention by simple precautions. A gay comedy strip climaxed the evening's entertainment.

On Saturday evening, March 16th, motion pictures were shown in the Assembly Hall. The two films, 'Oliver Twist' and a Laurel and Hardy short were enjoyed by all. The school is again indebted to Mr. Griesdorf for providing the entertainment.

THE DAVID MUNN DICKIE MEMORIAL ROOM

A room has been set aside on the ground floor of Memorial House for the use of the Head Prefect of each year. This room has been decorated by Mrs. Edward Dickie in loving memory of her son, the late David Munn Dickie, Head Prefect at St. Andrew's for the year 1936-37.

Coming to the school in 1933, David Munn Dickie took an active part in both scholastic and athletic fields. He enlisted as a Lieutenant in the 48th Highlanders in June, 1940, and, after seeing action in Italy and serving as A.D.C. to Major General Christopher Vokes, was killed in action on May 15th, 1944, in the Liri Valley while on reconnaissance duty.

The School is proud and honoured to accept the newly-furnished David Munn Dickie room as a memorial to a brave soldier.

THE CADET CORPS DANCE

At nine o'clock on Friday, May 17th, the orchestra of Bobby Gimby started to play, to begin the school's annual "At Home."

The dining-room was converted into a dance hall, and was magnificently decorated by Schofield, Howson, Murrell, and others. Messes were in Flavelle House.

The announcing was done by Shirley I. On the receiving line were Mr. and Mrs. Ketchum, Captain and Mrs. Wright and Cadet-Captain Errington.

A number of old boys recently out of the armed forces attended. There were visiting officers from Upper Canada College, Bishop Ridley College, University of Toronto Schools, De La Salle, and Forest Hill Village High School.

The orchestra's feature of the evening was the Parade of Bands starring their leader on the trumpet. The traditional Rye-Waltz was missed by the old boys.

The time flew by and when The King was played, it was to the great regret of all.

CAPTAIN de MARBOIS

On Tuesday evening, January the twenty-ninth, Captain J. M. P. B. de Marbois, R.C.N., O.B.E., modern languages master at Upper Canada College, gave a very interesting and amusing talk to the Upper and Lower Sixth forms. His subject was Canada's part in Naval Operational Intelligence with regard to anti-submarine warfare. Captain de Marbois also showed some enjoyable colour films. All the boys who were present enjoyed the evening immensely and are very grateful to Captain de Marbois.

MATHEMATICS CLUB

Under the direction of Mr. Lane, the Mathematics Club continued to hold weekly meetings during the winter term, and at each meeting, the members in turn spoke to the rest of the group about some interesting mathematical topic. One evening in March, the club went to Pickering College to see a film on the vacuum tube and to attend a lecture with demonstrations, on electronics. The evening was very interesting and we would like to thank the Headmaster and the Mathematics Master of Pickering College for inviting us. Some Saturday evening before the end of this term, Mr. Lane plans to take the club to the David Dunlap Observatory near Richmond Hill.

CLANS 1945-46

As an addition to the regular clan activities, a clan swimming meet was held on Wednesday, March 27th, in the school swimming pool. The enthusiasm of participants and spectators was greater than was shown in other clan events.

Owing to a bad winter this year, the ski race was held under adverse conditions. The snow was melting, the course was muddy, but many boys, urged by their clan captains, turned out for the race.

There was the usual three game Clan Basketball series this year, and the results were good.

The clan standing to date is as follows;

- | | |
|---------------------------|--------------------------|
| (1) Douglas 677 point. | (2) Wallace, 603 points. |
| (3) Montrose, 403 points. | (4) Bruce, 361 points. |

THE LADIES' GUILD PRIZE ESSAY

For the second year in succession Howland won the Ladies' Guild Essay Prize.

Keen interest was shown by the boys in this contest, every boy of Forms V and Lower VI submitting an essay of three hundred or more words. The runners-up were Rodwell, who wrote on "A. E. Houseman, An Appreciation"; DaCosta and Rhame, both of whom dealt with "Britain's Problems in India"; and Cocking, who assessed "The Possible Uses of Atomic Power." Howland, writing on the last-named topic, was unanimously declared the winner by the judges, Mr. K. G. B. Ketchum, Dr. Robinson, and Mr. Lambertson.

Howland is to be congratulated on his ability to collate material drawn from widely scattered sources, on his felicitous style, and on the clarity and force of his exposition. We feel that we shall not detract from Howland's well-earned praise in saying that his closest competitors, DaCosta and Rodwell, merit special mention for their excellent work.

SPORTS

EDITORIAL

The past year has been most successful in almost every field of sport. Inspired by the magnificent showing of the first football team, the school's efforts have largely been winning ones. Too much could not be said in praise of the Little Big Four Championship team, for they played every game as it should have been played—cleanly and with determination. Special credit should go to Taylor I, Middleton I, Flemming and Saylor who made the Little Big Four all star team, the last two for the second consecutive year. It might be suggested that the selections for this team would be more successfully made if a meeting were held, with coaches of the respective teams controlling the vote.

The first hockey team did not enter the Junior B. Prep School League this year, but thirteen exhibition games were played. The team had a highly successful season, winning eleven games, tieing one, and losing one. Although there is no little Big Four hockey league (an omission which should be remedied) all the schools played one another, and St. Andrew's came out on top of the mythical league. The team defeated U.C.C. and T.C.S. and tied with Ridley.

Tom Chipman captained the team in good style and was again the leading scorer.

The Basketball team, while not outstanding, managed to win a goodly number of games, and came second in the Prep School League. The captain, Fraser Smith, always played a dependable game at guard, as well as coming second to Malcolmson in points scored. A strong Junior team should provide a sound basis for a good season next year.

Urged on by the indefatigable efforts of Mr. Lane, the gym-team had another successful year. The annual meet at the school was again very interesting and was won by Errington I.

The Swimming team slipped from the first place held for the past three years, down to last. However, the boys all tried hard and the school is proud of them. J. D. J. Murrel coached the team in a very efficient manner and Jack Malcolmson was captain.

Although not compulsory this year, the boxing was of a high calibre. Ed Martin was adjudged the best boxer of the evening and was awarded the Armstrong Cup, held for the past two years by his brother.

At the time of writing, track and field events are being run off each day, but no final results have as yet been decided.

The Cricket team should have a good year. Mr. Macrae is Master in charge and Harry Davis is again coach. Several old colours and a few promising new boys seem to indicate a strong team. There are seven matches scheduled but none have been played to date.

In closing, a word of appreciation should be given Mr. McRae for the excellent way in which he coached the first hockey team and to Mr. Kendall for his organizing ability and tireless efforts to maintain the high standard of sports which is synonymous with the name of St. Andrew's College.

R. A. Mackinnon.

FIRST TEAM CRICKET

The shortness of the cricket season this year hindered the full development of the promising material which was available for building up a very good team. Of the three exhibition games played in preparation for the Little Big Four series, St. Andrew's won two, lost one. In the Little Big Four games, we were defeated twice, victorious only once.

On June 1st, the First Eleven played a team of Old Boys. Although the School's innings were not completed, the score was tied at 58.

To Harry Davis, our thanks and much credit is due for his excellent coaching. Errington I was captain.

Colours were awarded to Lewis, Collett, and Errington III. Errington II received a bar.

TRINITY COLLEGE AT ST. ANDREW'S

In the opening game of the Little Big Four cricket, St. Andrew's lost a heart-breaking game to T.C.S. by a score of 74 for nine wickets to 69, all out. The game was one of almost unbearable suspense for spectators and fielders alike since Trinity had nine out with eight runs to win. Conyers, who had retired earlier in the game owing to an arm injury, hit a boundary 4 to break the tie and decide the issue.

Captain Joe Errington led the St. Andrew's batsmen with 32 runs. Barber was outstanding for Trinity with 19 while Payne scored eight.

Bill Errington captured six wickets and Collett two for St. Andrew's, while Conyers took six for Trinity and Gaunt three.

Trinity College—Congers 6 wickets for 28 runs, Brewer no wickets for 24 runs, Gaunt 3 wickets for 10 runs.

UPPER CANADA AT ST. ANDREW'S

St. Andrew's decisively defeated Upper Canada College in their Little Big Four Cricket match, the final score being St. Andrew's 168 for seven wickets U.C.C. 79, all out. Upper Canada batted first, Cooper and Leckie getting the majority of the runs. Chipman scored 50 runs for St. Andrew's and retired. Medland got 35, and Phil Errington 25, retired. Chipman won a cricket bat from the school for scoring 50 runs.

ST. ANDREW'S AT RIDLEY COLLEGE

At St. Catharines, St. Andrew's went down to defeat at Ridley's hands as the latter won their third straight championship. Ridley batted first and scored 155 runs before St. Andrew's managed to retire the side. Routley got 54 not out, thereby winning a bat, and Hutson stayed in most of the game to score 32.

St. Andrew's batsmen fell regularly before the fast bowling of Cressall, and only scored 37 runs, Medland was the only batsman of any endurance, he scoring 19 runs, half his team's total. Frey scored 5 not out and Errington II five.

Back Row—J. M. MACRAE, K. G. B. KETCHUM, Esq., J. M. POWELL, P. J. ERRINGTON, A. F. R. BROWN.

The Boxing Tournament, under the supervision of Mr. Kendall, was held during the week of March 18th. The finals were fought on the evening of March 23rd.

In spite of the fact that boxing was not compulsory for the Upper and Lower Sixth forms, there were many voluntary entrants, who, along with the compulsory entries, maintained the high standard set by Andreans in the past. Great credit is due Mr. Kendall who judged and arranged all the preliminary bouts which were held in the gym classes and in the afternoons.

Edward Martin, of Mexico, carried on his brother's achievements by winning the Armstrong Cup, and, as last year, Lyon performed brilliantly and was runner-up for this coveted trophy. In the open class, Ian Flemming defeated Ian Schofield, but only after a very evenly contested match in which good boxing and good sportsmanship were displayed. Howson vs. Roe, Nold vs. Putnam, and Omstead vs. Clark were exceptionally interesting bouts. The Lower School again contributed greatly to the annual boxing competition.

HOCKEY**THE FIRST HOCKEY TEAM**

The first hockey team had a very successful year, winning 11 games, losing one and tying one. The boys were rather downhearted to hear that the team had not been entered in the Junior B. Prep. League this winter, but the thirteen exhibition games played made up a full season. The team was very fortunate in having the services of Mr. "Bubs" McRae as coach, and his work fully merited the confidence placed in him by all the team members. Chipman was the captain of the team and played some excellent hockey, being the top scorer in the school. Frey and Medland followed close

behind. Great credit should go to Ecclestone who performed wizard-like feats at his defence post; and Shortley was always to be relied upon in his steady goaltending chore. Although many players will not be returning to St. Andrew's next year, the hopes for another first class team are bright since there are several promising players coming up to take the place of those who leave.

FIRST HOCKEY TEAM

Front Row: C. McCUALEY, T. MEDLAND, T. CHIPMAN (capt.), J. SHORTLY, E. FREY.

Centre Row: J. RHAME, R. HILL, G. ECCLESTONE, W. ERRINGTON, B. TAYLOR, J. NOLD.

Back Row: F. MCKENZIE, K. G. B. KETCHUM Esq., I. FLEMMING (manager).

JANUARY 9TH—S.A.C. AT CANTAB. WON 4—1

The return game with Cantab was very close, and resulted in a 4—1 win for S.A.C. Chipman scored two goals, Taylor and McKenzie, one apiece. Sommerville picked up Cantab's lone counter.

JANUARY 16TH—S.A.C. AT PICKERING. WON 16—3

The First Team had little trouble in handing their old rivals from Pickering College a 16-3 setback at Newmarket. St. Andrew's scored three quick goals in the first period and from then on the outcome was never in doubt. Medland and Chipman, each with four goals and three assists, led the scoring parade, followed closely by Frey with three goals and three

assists. Other scorers were McKenzie, Rhame, McCauley and Ecclestone. Nold showed up very well on defence. Rogers was the mainstay of the Pickering team.

JANUARY 19TH—PICKERING AT S.A.C. WON 6—0

The return game with Pickering was a much more closely contested display, for Pickering came up with a hard checking team and held St. Andrew's to six goals. Shortly, in the home team nets, registered his first shutout of the year. Chipman and Nold scored early first period goals and near the end of the game, Chipman tipped in another from the face-off. The teams battled through a scoreless second period, and it was not until midway of the last period that Taylor came up with a well-earned goal. Frey then scored two quick counters on assists from Chipman and Nold.

JANUARY 26TH—ZETA AT S.A.C. WON 13—2

The Team played their return exhibition game with Zeta Fraternity House of the University of Toronto and won quite handily by a 13—2 score.

Early in the first period, Taylor opened the scoring with a perfect passing play from Chipman, and three more goals were added to the home team's score before the period ended. During this period, Sabiston put the puck past Shortly on a solo rush.

The second period gave an additional four goals for the home team, although both goalies gave fine performances in the nets.

The last period gave the winners five more goals in quick succession but Spence shoved a fast one behind Shortly to make the final score 13—2. Despite the heavy one-sided scoring, the losers played a fine checking game around their own net, Sabiston and J. Chipman being especially effective. Joe Taylor played well in the Zeta goal. The formidable rushes of T. Chipman, McCauley and C. B. Taylor paid well, often resulting in goals.

FEBRUARY 2ND—DELTA KAPPA AT S.A.C. WON 15—3

Smooth passing featured a decisive S.A.C. victory over Delta Kappa Fraternity in a game at Aurora Arena.

Early in the first period Pringle put the Fraternity ahead, but S.A.C. came back to put nine goals behind the Delta goaltender before the first period ended. Second period play was more even, since S.A.C. outscored the Fraternity by two goals to one, Rathmon counting the single. Ecclestone led in goal scoring with four, Chipman picked up three and three assists, while McKenzie scored one and assisted in five others. Medland, Frey, McCauley, Errington III, Nold and Taylor added the other scores.

JANUARY 30TH—U.C.C. AT S.A.C. WON 6—4

Playing at Aurora, the first hockey team defeated U.C.C. 6—4 in a close exhibition game which went into overtime before a verdict was

reached. In the first period it looked as if St. Andrew's had complete mastery of the game, for they scored 4 goals and dominated the play throughout. Errington II notched the first goal on a passing play with Medland and Ecclestone. A minute later Ecclestone passed to Frey who made it 2—0. Later in the period, McKenzie and Ecclestone each scored unassisted goals.

Upper Canada came back strong, and at seven minutes Cork rapped home a pass from Bazos. Riddell's pass to Haddon resulted in another U.C.C. score. The third period play was very close, the edge in the latter minutes going to S.A.C. Denton and Crerar scored one goal apiece to end scoring in the regulation time.

After a persistent attack, McCauley sank the winning goal from Chipman, and a minute later Frey clinched it, combining with Chipman for the goal. Upper Canada was slow getting started owing to smaller ice surface. Frey, Chipman and McCauley starred for S.A.C., and Shortly played a fine game in goal. Hadden, Denton and Riddell were best players for U.C.C.

The U.C.C. line-up was as follows: goal: Hermbecker; defence: Cork, Riddell; forwards: Hadden, Denon, Gossage; subs: Hewitt, Kent, Bazos, Crerar, O'Brian, Colley.

FEBRUARY 9TH—OLD BOYS AT S.A.C. WON 8—2

Playing under poor ice conditions, the S.A.C. team defeated a team of Old Boys 8—2. St. Andrews got the first goal at 1.55 of the initial period, Frey scoring unassisted. The Old Boy's fought back and mid-way through the period went into the lead on goals from E. MacMillan and Taylor, the latter's goal being assisted by Wynne and Jack Chipman. St. Andrew's rallied and scored four goals to lead 5—2 at the period's end. Ecclestone, Nold, Chipman and McKenzie provided the scores. Held scoreless during 17 minutes of the second period, three quick goals by Frey, Chipman and Taylor ended the scoring at 8—2. The last period was close hockey, but scoreless. McClelland played an excellent game in the Old Boys' goal, robbing Ecclestone, Nold and McCauley of sure tallies. MacMillan, J. Chipman and Gear also stood out for the visitors. For St. Andrew's, Nold, Ecclestone, Frey and Shortly played excellent hockey.

The Old Boy's line-up was: goal: McClelland; defence: Spence, Sabiston; forwards: J. Chipman, Wynne, J. Taylor; subs: MacMillan, Cobban, Fraser, Grear, McPherson.

FEBRUARY 11TH—ALPHA DELTA AT S.A.C. WON 12—4

After a very close opening period, St. Andrew's went on a scoring spree to defeat Alpha Delta Fraternity 12—4. Medland scored two first-period goals to put S.A.C. into an early lead.

The second period was all St. Andrew's. Six goals were scored in all, the Fraternity being held scoreless as in the first period. Last period scoring was evenly divided, four goals going to each team. Ted Medland was the individual star of the game, netting four goals and three assists. Chipman's tally was three goals and an assist, and Frey picked up three assists. Errington II, McCauley, McKenzie and Ecclestone were the other scorers for St. Andrew's.

Hart scored two for Alpha Delta, and two goals by Frewer and Daniels, twenty seconds apart, ended the scoring.

Alpha Delta line up: goal: West; defense: Hart, Stock; forwards: Simpson, Large, Daniels; subs: Waylett, Wright, Bolte, Frewer.

FEBRUARY 13TH—S.A.C. AT T.C.S. WON 10—1

Playing at Oshawa, the first team came to life in the third period to score seven goals and defeat T.C.S. 10—1.

Two early goals by Medland and Nold, did not look like a large lead, for Trinity tried rush after rush with first McCauley, and then Rhame, off for penalties.

Early in the second period, McDonald scored for Trinity and only excellent goal-tending by Shortly prevented another when T.C.S. pressed the advantage of two S.A.C. penalties. Nold built up the score to 3—1 at the close of the period when he sank his second goal. The last period was completely St. Andrew's, seven goals being the result.

Medland scored twice, thus chalking up three goals to his credit, and contributed two passes to Taylor which the latter converted into further goals. Nold scored his third and Ecclestone and McCauley picked up one apiece. St. Andrew's was a better team from the beginning to end, Medland, Nold and Shortly playing particularly well.

Howard, aided by McMurrick and McDonald, showed great ability for Trinity.

T.C.S. line-up: goal: Fennel; defense: Howard, Lambert; forwards: Wells, Sinclair, McMurrich; subs: McDonald, McDonough, Taylor, Fisher, Hawke.

FEBRUARY 20TH—S.A.C. AT U.T.S. LOST 6—4

Coming from behind in the closing minutes of a hard-fought game at Varsity Arena, U.T.S. broke an eleven game winning streak by defeating St. Andrew's 6—4. The game was the hardest yet played by S.A.C. as the team had difficulty in cracking a strong U.T.S. defense.

The first period was very close hockey and scoring was limited to a late period goal by Chipman on a pass from Taylor. Outplaying U.T.S. in the second period, St. Andrew's had a lead of 3—0, on goals by Medland and Rhame, both on assists from Taylor, until Garratt scored for U.T.S.

Until ten minutes of the final period, the play was again even, but from then on U.T.S. had the edge in the play. Errington II passed to Chipman for St. Andrew's final goal. Garratt (2), Bartlett, Crawford and Vernon scored for U.T.S.

Although six goals were scored against him, Shortly played an excellent game in the S.A.C. goal, Rhame, Errington and Chipman playing well in front. For U.T.S. Garratt, an ex-Andrean, played very fine hockey, while Crawford, Bark and Duff also showed good form.

The U.T.S. team was: goal: Mitchell; defense: Allen, Bartlett; forwards: Crawford, Garratt, Duff; subs: Avery, Bark, Vernon, Fuller, McClelland, Dawson, Sinclair, Lang.

FEBRUARY 27TH—S.A.C. AT B.R.C. TIED 5—5

Playing on the small Ridley ice surface, the first team tied a hard-fighting Ridley squad 5—5. The team was rather handicapped, owing to a week's lack of practice and the loss of Joe Nold, outstanding defenceman, who was sick for the game.

St. Andrew's had the edge in first period play and Chipman scored two goals in 30 seconds on passes from Frey and Errington II. At the two minute mark in the second period Frey sank one from McCauley to make it 3—0. Ridley came right back and Irwin passed to Gray for their first goal. Midway through the period a Ridley rush resulted in a goal by Stanley,

from Rigby and Pettet. Early in the last period Ridley tied the score, then went into the lead on a goal by Castleman and Holland. Fighting back, St. Andrew's hemmed Ridley in their end and Ecclestone sank two shots to make it 5—4 for S.A.C. Stanley sank the tying marker with only minutes left to play. A ten minute overtime period was played, and though St. Andrew's had the edge and had many chances, there was no further scoring.

Frey played his usual hard-checking game, Ecclestone and Errington II combined well on defense, and Shortly turned in some magnificent goal-tending.

For Ridley, Irwin, Stanley and Gray were most effective.

The Ridley line up: goal: Chapman; defense: Irwin, Fisher; forwards: Stanley, Rigby, Pettet; subs: Gray, Holland, Castleman, Weld.

NORTH YORK HOCKEY

This year the Seconds, captained by Middleton I and coached by Errington II, played a total of eight games, six in the Senior North York Hockey League, and two exhibition games with Upper Canada College and Lakefield Prep. School. Three games were won, four lost and one tied to round out a very good season. Many of the boys on this team will be ready for the First Team next year. The following boys received their colors this year: MacMillan, Shields, Middleton I and Watson I. Howson, Murrell, and Schofield were old colours.

FEBRUARY 16TH—THE GROVE AT S.A.C. TIED 4—4

In a fast and hard fought game, Lakefield battled to a four-all overtime decision. The ice was fast and neither team seemed to click at stick-handling or checking in the first period.

During the second period, however, both teams settled down, and the first score of the game came mid-way during the period when Sinclair, on a fine pass from Langmuir, shot the puck past Murrell. Shortly afterwards, Watson I evened up the score on a lone rush from behind his own blue line.

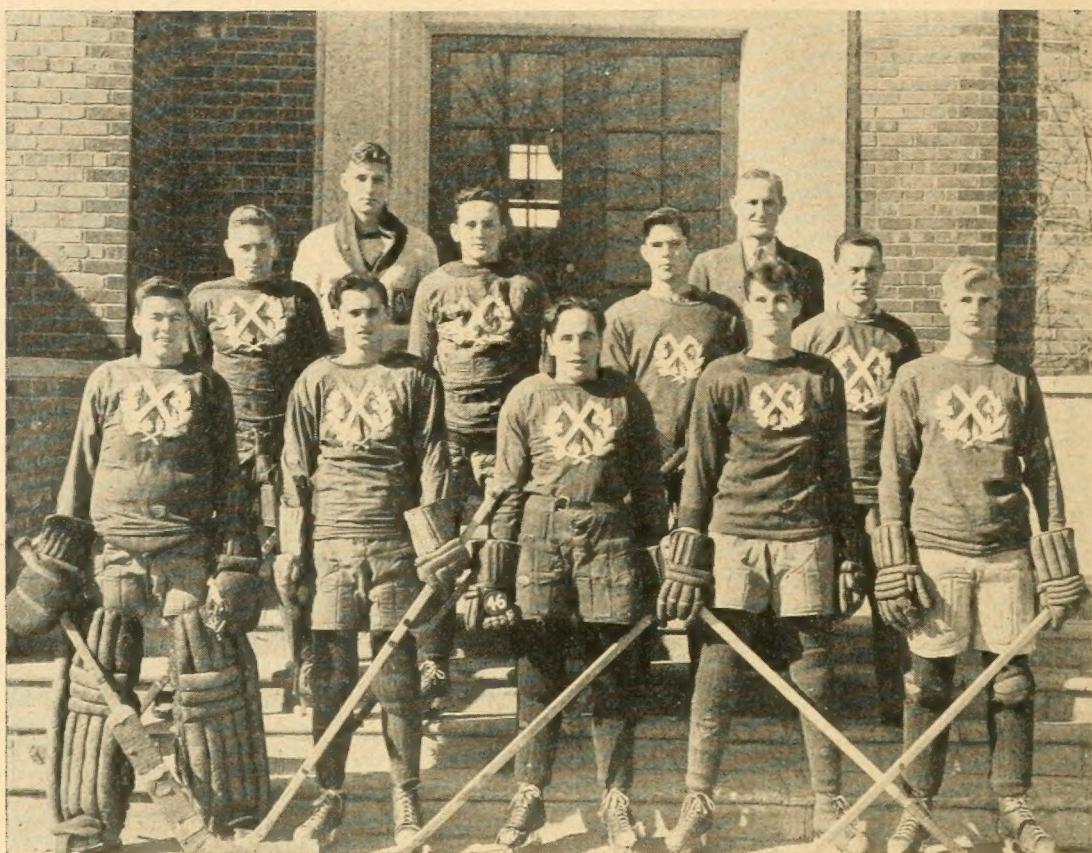

In the last period the scoring was again even, Sinclair and Langmuir scoring for Lakefield, and MacMillan and Middleton for S.A.C.

During the first few minutes of overtime, Schofield scored, but less than three minutes later, Langmuir again evened up the scoring. For the School, Watson I, MacMillan, and Schofield were outstanding, while Lakefield's Langmuir and Sinclair also played singularly well.

JANUARY 21ST—S.A.C. AT R.H.H.S. LOST 1—0

Richmond Hill edged out St. Andrew's 1—0 in a close hard-checking game which featured many penalties. Rumney from Clement was the combination which notched the only goal of the game.

Murrell starred in the St. Andrew's nets, while G. Middleton distinguished himself on defence.

NORTH YORK HOCKEY TEAM

Front Row: D. MURRELL, W. SHIELDS, G. MIDDLETON (capt.), W. HOWSON, I. SCHOFIELD.
 Centre Row: J. WATSON, W. MACMILLAN, P. SHIRLEY, G. PRICE (manager).
 Back Row: W. ERRINGTON (coach), K. G. B. KETCHUM Esq.

JANUARY 22ND—S.A.C. AT A.H.S. LOST 4—3

During an untimely S.A.C. penalty, A.H.S. registered two rapid-succession goals to emerge victorious by a count of 4—3. Schofield, McMillan and Shields were the S.A.C. marksmen.

JANUARY 23RD—S.A.C. AT PICKERING. WON 7—1

The Second Team defeated Pickering College 7—1 in an exhibition game at Newmarket. St. Andrew's opened briskly and by the time five minutes had passed, Watson had netted two goals on assists by Shields. Middleton II scored a third. After a scoreless second period, Middleton I scored three goals unassisted, his brother adding another. McKeaun scored Pickering's lone point near the end of the period. Murrell, ably assisted by Howson on defense, played a fine game in the St. Andrew's nets.

JANUARY 26TH—S.A.C. AT U.C.C. WON 2—0

A 2—0 victory for the North York hockey team was the result of their visit to U.C.C. on January 26th.

Harold Middleton opened the scoring on a passing play, with brother Gordon setting him up. Shirley I, receiving from MacMillan, netted an-

other goal after a sustained attack on the U.C.C. net. Schofield and Howson were most effective for St. Andrew's while Murrell played brilliantly in goal, earning a well-deserved shutout. P. O'Brian was U.C.C.'s most dangerous player.

JANUARY 27TH—S.A.C. AT PICKERING. LOST 5—2

The Seconds played their return game with Pickering College, losing 5—2. One of the main reasons for the loss was the absence of a number of players. Shields and MacMillan, assisted by Middleton, were able to score two goals.

JANUARY 31ST—R.H.H.S. AT S.A.C. LOST 3—2

The game was hard fought all the way, and marred with penalties. Wiel and Pankey were best players for R.H.H.S. while Howson and MacMillan led the S.A.C. team.

FEBRUARY 9TH—S.A.C. AT A.H.S. WON 4—3

The Second Team played their hardest and possibly their best game against Aurora High School, defeating them 4—3. Aurora dominated the play in the first period, but S.A.C., led by Shields, Middleton I and Schofield, took the lead and maintained it during the second and third.

FEBRUARY 19TH—S.A.C. AT A.H.S. WON 4—0

The last game of the season was played against Aurora High School. Again Schofield and Shields teamed up to get four goals between them. The game was marked by many penalties. Watson I played very well when the team was short-handed.

THE THIRD HOCKEY TEAM

The Juveniles had a poor season this year, owing to a lack of talent among its players. The team was ably coached by Ecclestone, and captained by Errington III.

JANUARY 19TH—PICKERING AT S.A.C. LOST 5—2

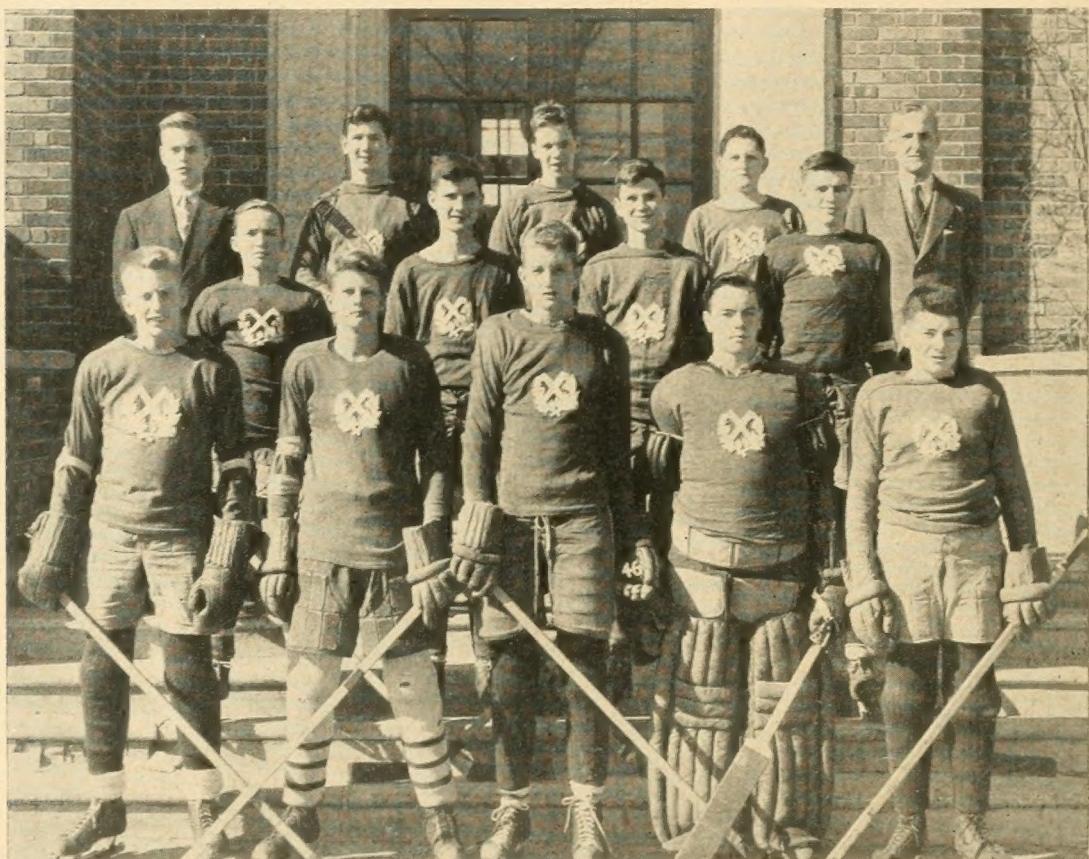

Pickering opened the scoring in the first period, accounting for three goals to get a good lead. Not until the end of the second period, when Errington III scored, did the school begin to register their efforts. In the last period Hawkins, assisted by Rolph, ended the team's scoring. For St. Andrew's, Errington, Hall and Rolph were best players in a very close game.

JANUARY 23RD—S.A.C. AT N.H.S. LOST 8—0

On the Wednesday following the Pickering game, the team travelled to play a much faster, heavier and more experienced team. With fast ice, the Newmarket team went with ease through our defense to account for eight goals. Dalles and Brown stood out for Newmarket while Somers in goal and Errington III and Hall on defense played well for the school.

MIDGET HOCKEY

The 4th team had a very successful year, losing only one game out of eight. The team was coached by Chipman and captained by Laing. Colours were awarded to Bird, Bell I, Doherty, Horn, Laing, Lawerence and Shirley II.

MIDGET HOCKEY TEAM

Front Row: T. BIRD, K. HORN, J. LAING (capt.), J. SHIRLEY, T. MUNN.
 Centre Row: D. McLAUGHLIN, P. BELL, D. WORLING, W. LAWRENCE.
 Back Row: T. CHIPMAN (coach), J. VAUGHAN, D. DOHERTY, W. HINTON,
 K. G. B. KETCHUM Esq.

JANUARY 14TH—S.A.C. AT N.H.S. WON 7—1

The 4th team played its first game of the year against Newmarket High School.

The game was more even than the score would indicate. Bird scored four goals for the winners with Laing, Doherty and Bell I scoring one each.

JANUARY 19TH—S.A.C. AT AURORA MIDGETS LOST 3—1

On Saturday, January 19th, St. Andrew's College Midgets lost to Aurora Midgets 3—1.

Late in the first period, Horn put St. Andrew's ahead on a pass from Doherty, but in the second, Aurora came back and tied the score.

The play during the last period was very close, both teams having good opportunities to score. Aurora, however, got the only two goals.

JANUARY 22ND—S.A.C. AT BRADFORD MIDGETS WON 3—2

January 21st saw the S.A.C. Midgets defeat Bradford Midgets 3—2 in a closely fought contest at Bradford.

Doherty, Horn and Bell scored for St. Andrew's with Munn and Worling II picking up assists.

JANUARY 24TH—BRADFORD MIDGETS AT S.A.C. WON 4—2

The Midgets delivered another defeat to Bradford on January 24th by gaining a 4—2 victory on Aurora ice.

Horn's playing was the big factor in St. Andrew's win. He came through with two goals and an assist while Munn and Doherty chipped in the other counters.

The game was close all the way with the home team showing just a little more finish than their opponents around the nets.

JANUARY 29TH—S.A.C. AT PICKERING. WON 5—0

The Midgets won their third straight game by defeating Pickering 5—0 at Newmarket. Laing with three goals, Worling II with two and Bird with two assists provided the scoring punch for S.A.C., while Shirley II played well in goal and deserved his shutout.

FEBRUARY 12TH—PICKERING AT S.A.C. WON 14—2

In their return game with Pickering College, St. Andrew's held a considerable edge throughout. Pickering had a smaller team, but they fought gamely.

Horn was the star for St. Andrew's while Munn, Doherty and Laing were also outstanding.

FEBRUARY 21ST—R.H.A.C. AT S.A.C. WON 14—2

In their return game with Pickering College, St. Andrew's held a con-defeated the visitors by a score of 3—2. The game became quite rough in the third period with both teams playing wide-open hockey.

Horn, Doherty, Laing and Shirley II, the goalie, played well for the winners.

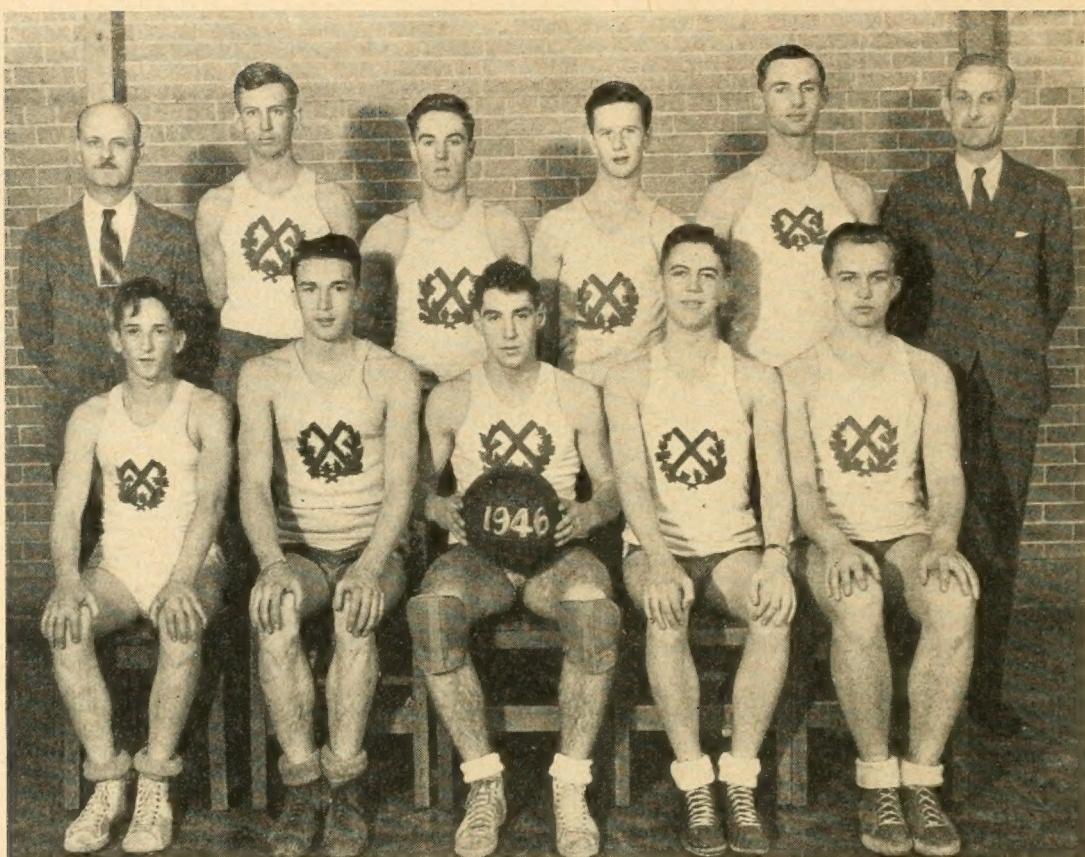

FEBRUARY 28TH—R.H.H.S. AT S.A.C. WON 10—1

St. Andrew's played a fast brand of hockey until the last period when both teams tired perceptibly.

Horn, Lawerence and Doherty shone for St. Andrew's while the Richmond Hill goalie played a very creditable game.

FIRST TEAM BASKETBALL

The Senior Prep, again coached by Mr. Kendall, enjoyed a moderately successful year, winning an appreciable number of their games. The most experienced and steady player was the Captain, J. F. M. Smith, who, during

FIRST BASKETBALL TEAM

Front Row: P. MARTIN, J. MALCOLMSON, F. SMITH, C. HERSH, R. SIMPSON.
Back Row: H. KENDALL Esq., A. LINDSAY, M. SMITH, G. MARSHALL, J. ERRINGTON, K. G. B. KETCHUM, Esq.

the course of the season imparted much of his knowledge to his team-mates. Great credit is due Hersh who was prevented by illness from completing the season.

The team did well in the Senior Prep League, in which they finished in second place.

Colours were awarded Malcolmson I, Martin I, and Errington I and a fine nucleus has been established for next year. Jack Malcolmson was the team's high scorer.

JANUARY 14TH—NEWMARKET ARMY AT S.A.C. Lost 50—38

Displaying a strong attack, the Army frustrated St. Andrew's attempts and turned in a decisive 50—38 win. Slinger and Reynett scored 18 points each for the Army, while Hersh was outstanding for S.A.C.

FEBRUARY 8TH—NEWMARKET ARMY AT S.A.C. Won 45—34

Featuring an obstinate tie-breaking last quarter offensive, St. Andrew's defeated Newmarket Army by a score of 45—34. Slinger and Eldridge paced the Army attack, while Smith I and Malcolmson were indispensable to St. Andrew's.

FEBRUARY 11TH—ALPHA DELTA PHI AT S.A.C. LOST 42—38

This closely contested game was decided only after an exciting overtime stanza. The score stood tied at full time but a late drive by Alpha Delta decided the issue. Martin I, with 12 points, and Fraser Smith, with 10 points, played well for S.A.C. while Gourlay and Davis, two St. Andrew's Old Boys performed colourfully for the Fraternity.

FEBRUARY 13TH—S.A.C. AT T.C.S. LOST 57—32

Trinity, employing an impregnable zone defence, outstripped St. Andrew's completely to win by a wide margin. Time upon time our squad, led by Smith I and III, stormed the T.C.S. zone, only to be repulsed. The score stood at 27—14 at half time but Trinity added to this considerably by the end of the game. Casharrt and Toole for T.C.S., Malcolmson and Smith III for S.A.C. were the pick of the floor.

FEBRUARY 16TH—U.C.C. AT S.A.C. WON 62—34

After a weak first quarter, St. Andrew's got under way and defeated Upper Canada by a score of 62—34. Smith with ten points and Moyer with fourteen were high scorers for U.C.C. while Malcolmson and Errington I led the winners, with seventeen and sixteen points respectively.

FEBRUARY 19TH—S.A.C. AT R.H.H.S. LOST 33—27

Richmond Hill defeated St. Andrew's after coming from behind in the final quarter. S.A.C. frequently found the R.H.H.S. zone defence impassable. Moore accounted for 14 of Richmond Hill's points while Smith I and Malcolmson were outstanding players for the school.

FEBRUARY 20TH—S.A.C. AT U.T.S. WON 32—19

St. Andrew's completed her home and home series with U.T.S. by defeating the Schools' seniors. The first half was closely contested with the score standing at 12—10 for S.A.C. at half time. St. Andrew's dominated the entire play in the final half. Malcolmson and Smith III played well for the visitors while Evans starred for U.T.S.

FEBRUARY 27TH—S.A.C. AT B.R.C. LOST 54—48

S.A.C. dropped a closely contested game to Ridley in the last few seconds by a 54-48 score. In the first half both teams collected 23 points, but Ridley drew slightly ahead in the closing quarters. Ordonez led the B.R.C. attack with 38 points while Malcolmson and Smith III tallied most of S.A.C.'s points.

FEBRUARY 28TH—R.H.H.S. AT S.A.C. WON 36—32

S.A.C. and Richmond Hill matched each other point for point until the final quarter, in which S.A.C. showed slightly better passing than their rivals, emerging victorious. Moore scored most for the losers while Malcolmson led the winners' scoring.

MARCH 2ND—NICHOLL'S COLLEGE AT S.A.C. LOST 57—34

St Andrew's encountered her stiffest and most seasoned opposition in Nicholls' College of Buffalo. The team paced their opponents in the first quarter only until Nicholls launched a strong offensive which did not terminate until they had defeated S.A.C. 57-34. Maxwell and Zeller were outstanding for Nicholls, while Malcolmson and Errington I starred for the losers.

MARCH 9TH—OLD BOYS AT S.A.C. WON 48—26

S.A.C. completed the basketball season by defeating her Old Boys. Although the Old Boys were seriously handicapped by lack of players they showed the true Andrean spirit and fought determinedly throughout. S.A.C. moved into an early lead and never lost it. Don Robinson and Lowry played well for the Old Boys while Smith III and Hersh starred for the School.

JANUARY 16TH—S.A.C. AT PICKERING. WON 41—28

Edgehoffer paved the way for a decisive Pickering victory by scoring 22 points. Pickering's deadly passing attack was the deciding factor in the hotly contested game. Smith III was best player for the losers, notching 11 points.

JANUARY 26TH—S.A.C. AT U.C.C. WON 41—28

The first basketball team was victorious over Upper Canada College by a score of 41-28 in a game played at Toronto.

In the first half St. Andrew's scored 18 points. The two S.A.C. guards, Smith III and Errington I, checked very effectively and also led the College's scoring attack.

In the last two quarters the play was fast and both teams showed considerable finesse under the basket.

Errington I with 13 points, Smith III and Hersh, each with 7 points were the high scorers for St. Andrew's. Wareham and Moyer were outstanding players for Upper Canada.

JANUARY 30TH—U.T.S. AT S.A.C. WON 43—22

St. Andrew's displayed high quality co-operation as they defeated U.T.S. by a score of 43-22. S.A.C. led all the way, and were never in difficulty. Malcolmson, Smith III and Marshal played colorfully for St. Andrew's, scoring 9 points each, while Whyte paced the losers' attack with 8 tallies.

FEBRUARY 5TH—PICKERING AT S.A.C. LOST 36—23

The Pickering squad took an early lead and led St. Andrew's by 8 points at half time. The game was close but Pickering had enough extra polish to stamp out the School's late rally. Edgehoffer paced Pickering with 8 points while Kondurous netted 6. Hersh and Malcolmson performed brilliantly for St. Andrew's, tallying 8 and 6 points respectively.

FEBRUARY 6TH—ALPHA DELTA AT S.A.C. LOST 29—26

Alpha Delta Fraternity edged out St. Andrew's in a thrilling, fast-moving contest by a count of 29-26. The contrast in both size and appearance of the two teams was very pronounced, and considering this, the S.A.C. team gave a good account of itself. The whole team played well for S.A.C. with Malcolmson, Martin I and Smith III outstanding.

JUNIOR PREP BASKETBALL

The Junior Prep Basketball team, coached by Mr. Kendall, was entered in a league with Pickering College, U.T.S. and U.C.C. The team came second in the league after losing their first game to Pickering by one point. Altogether eleven games were played, of which the school won seven. Edmonds was very good at centre, but became ill during the season and his place was ably filled by Horn. Barr I was the high scorer of the team and Putnam the Captain. This team should furnish some excellent 1st team material.

JUNIOR PREP BASKETBALL TEAM

Front Row: E. MARTIN, R. PUTNAM (capt.), O. EDMONDS, J. LITTLE.
Back Row: C. HORN, H. KENDALL Esq., W. DAYMOND.

JANUARY 26TH—S.A.C. AT U.C.C. WON 49—8

The Junior Prep Basketball team defeated Upper Canada College 49-8 on January 26th.

St. Andrew's had a decided edge over a smaller and more inexperienced Upper Canada team.

In the first half S.A.C. collected 24 points; Upper Canada, 4. St. Andrew's were especially good on close-in shots around the basket.

In the last half St. Andrew's got 25 points to Upper Canada's 4. Edmonds with 14, Barr I with 13, Martin II with 12, and Little with 10 were the chief scorers for S.A.C.

Gray and Scott were the stars for the losers.

JANUARY 16TH—S.A.C. AT PICKERING. LOST 31—30

Only after two over-time periods did the Pickering Juniors emerge victorious by a count of 31-30. The game was closely contested with each team taking the utmost advantage of every opportunity. Force was high scorer for Pickering while Little topped the St. Andrew's quintet.

JANUARY 21ST—A.H.S. AT S.A.C. WON 47—26

An inspired St. Andrew's team whipped through the seemingly impregnable Aurora zone defense to register a 47-26 win. St. Andrew's took an early lead and never relinquished it. McNaught starred for Aurora, Edmonds and Little, for S.A.C.

JANUARY 30TH—U.T.S. AT S.A.C. WON 38—25

The Juniors defeated U.T.S. for the first time in three years by a score of 38-25. Superior passing was largely responsible for the S.A.C. victory, and, although U.T.S. strove determinedly in the final quarter, they were unsuccessful. Barr and Little were best players for S.A.C., while Philpott was the pick of the U.T.S. quintet.

FEBRUARY 5TH—PICKERING AT S.A.C. WON 40—30

In spite of a determined last quarter offensive staged by Pickering, St. Andrew's Juniors frustrated Pickering's attempts and emerged victorious. Keenleyside and Porce played well for the losers, while Barr and Putnam starred for S.A.C.

FEBRUARY 20TH—S.A.C. AT U.T.S. LOST 37—23

U.T.S. avenged her former defeat and whipped S.A.C. juniors. U.T.S. dominated the play, and not once did S.A.C. come close to overcoming her opposition's formidable lead. Philpott played brilliantly for U.T.S. while Martin II and Putnam performed well for the losers.

FEBRUARY 15TH—R.H.H.S. AT S.A.C. WON 45—35

The Juniors turned in an excellent display of combination attacking, and defeated the Richmond Hill Seniors 45-35. Putnam and Martin II were the outstanding players for the School.

FEBRUARY 16TH—U.C.C. AT S.A.C. WON 78—9

St. Andrew's Juniors outclassed U.C.C. at every turn to down the visitors by a score of 78-9. U.C.C. was held scoreless in the second and fourth quarters. Hughes tried hard for U.C.C. while Martin II and Little played brilliantly for S.A.C.

FEBRUARY 27TH—S.A.C. VS. B.R.C. LOST 54—46

The S.A.C. Juniors relinquished an appreciable first-quarter lead, and bowed to B.R.C. by a count of 53-46. Thompson was high scorer for Ridley with 23 points, while Barr and Edmonds scored most points for S.A.C.

THIRD TEAM BASKETBALL

The third team this year was captained by Henderson, and showed up very well before more experienced opposition. All the games were played against High School Seniors who were usually older than our own team. Colours this year were given to Henderson, Clark I and Ware.

JANUARY 18TH—A.H.S. AT S.A.C. LOST 39—9

The Senior North York played its first game of the season in the school gym against Aurora High School. The game was fast and hard fought in spite of the score. Clark, Henderson and Chase were best for the school.

JANUARY 29TH—S.A.C. AT N.H.S. LOST 44—5

In the first away-from-home game of the season, the team lost by a considerable amount to a heavier, more experienced squad. Beatty, McNern and Dales were best players for the winners while Morris and DaCosta were outstanding for the school.

FEBRUARY 7TH—S.A.C. AT PICKERING. LOST 26—33

In a hard-fought, close game played at Pickering College, St. Andrew's were edged out by Pickering's slightly superior floor play. Cohen and Massop were high scorers for the winners, while DaCosta, Ware and Lindsay II showed up well for St. Andrew's.

FEBRUARY 21ST—S.A.C. AT A.H.S. LOST 46—7

Playing in a slightly smaller gym, St. Andrew's was again defeated by a more experienced Aurora team.

Henderson and DaCosta starred for St. Andrew's.

MARCH 4TH—PICKERING AT S.A.C. LOST 45-24

In a return game with Pickering College, St. Andrew's were again beaten by a superior passing attack.

Lawrence and Hanley starred for Pickering with Henderson and Powell showing well for the losers.

FOURTH TEAM BASKETBALL

The Junior North York Basketball Team has had a fairly prosperous season this year, under the excellent leadership of Catlin I. Mr. Cornwall was their coach. The team had good co-ordination and Browne III was their high scorer. Browne, Catlin I, Crosbie, Triest, Taylor II and Omstead I received their colours.

JANUARY 18TH—A.H.A. AT S.A.C. WON 13—10

This was the first game of the season and was very close and hard fought. Browne III and Taylor II, with 10 points between them, were outstanding for us, while Mondell starred for Aurora.

FEBRUARY 15TH—R.H.H.S. AT S.A.C. LOST 14—10

Richmond Hill High School played S.A.C. a very close game of basketball. At the end of the fourth quarter, the score was 10-10. Richmond Hill then sank two baskets in the overtime period. Browne III was S.A.C.'s best player.

FEBRUARY 17 TH—PICKERING AT S.A.C. LOST 29—19

Although Pickering had a slight edge over us, our team put up a gallant fight. Catlin I and Browne III played well for St. Andrew's.

FEBRUARY 19TH—R.H.H.S.AT S.A.C. TIED 15-15

This was a very closely fought game, and the score ended in a tie. Both teams played excellent basketball. Browne III and Catlin I were S.A.C.'s outstanding players.

FEBRUARY 20TH—S.A.C AT U.C.C. LOST 20—18

As the score indicates, it was a fight to the finish, U.C.C. managing to forge past us in the dying moments of the game. Catlin I, Taylor II and Browne III were S.A.C.'s mainstays.

FEBRUARY 21ST—S.A.C. VS. A.H.S. LOST 8—14

Although the S.A.C. team played gallantly and well, Aurora won the game. Taylor II and Omstead I made the majority of the School's points.

FEBRUARY 28—R.H.H.S. AT S.A.C. LOST 27—33

This game, played at Pickering, was very close until the final quarter when St. Andrew's pulled ahead. Catlin I, Browne III and Taylor I were S.A.C.'s key players, while Chapeau was Pickering's mainstay.

MARCH 2ND—S.A.C. AT PICKERING. WON 15—12

Richmond Hill High School were the guests of S.A.C. in a good, fast, exciting game of basketball. Our guests defeated us by a small margin. Taylor II and Browne III played creditably for S.A.C.

ATHLETIC ASSOCIATION

The Athletic Association met during the winter term and awarded the following colours:

COLOURS FOR THE WINTER TERM

HOCKEY—First team. Ecclestone, McKenzie, Medland, Rhame, Shortly, Taylor I.

Second team. McMillan, Middleton I, Shields, Watson I.

Old Colours. Howson, Murrell, Schofield.

Third team. Errington III

Fourth team. Bell I, Bird, Doherty, Horn, Laing, Lawrence, Shirly II.

PASKEBALL—First team. Malcolmson, Martin I.

Old colours. Hersh, Smith III.

Second team. Barr I, Edmonds, Martin II, Putnam.

Old colours. Little.

Third team. Clark I, Henderson, Ware.

Fourth team. Browne III, Catlin, Omstead, Taylor II, Triest.

SWIMMING—1st none

2nd (Red Bar) Triest

White Manager's Bar—Murrell

BOXING—1st none

2nd (Red Bar) Martin II, Nold

SENIOR TRACK AND FIELD

Front Row—G. C. MIDDLETON, J. E. RHAME, L. J. ERRINGTON, W. A. LINDSAY,
H. E. MIDDLETON.

Centre Row—M. J. CARLE, W. ERRINGTON, C. B. TAYLOR, J. D. MALCOLMSON.

Back Row—K. B. G. KETCHUM, Esq., G. W. ECCLESTONE, H. KENDALL, Esq.

TRACK AND FIELD

This year the Track and Field competition was very keen. Boys in all classes competed strenuously for their colours and their clans. Due to constant work and practice, three records were broken and one was tied. Joe Errington threw the Senior javelin 148' 8" to beat his own record. Mike Carlé made two new Intermediate records: the shotput 37' 9½" and the Discus 103' 1". Blake Taylor tied the record for the 100 yard dash at 10 1/5 seconds.

Winners in their respective classes were:

Senior :- Errington I, 26 points, Malcolmson I, 25 points, Rhame, 21 points.

Intermediate :- Horn, 23 points, Collett, 21 points, Laurence, 10 points.

Junior :- Bird, 15 points, Cooper, 12 points, Franceschini, 12 points.

The Middle Distance Champion :- Middleton I, 9 points, Middleton II, 5 points, Rhame, 4 points

WINNERS IN EACH EVENT

SENIOR :-

100 yd.—(1) Taylor I, (2) Rhame, (3) Middleton I. Time 10 1/5 secs.
 220 yd.—(1) Rhame, (2) Taylor, (3) Nold. Time 24 1/8 secs.
 440 yd.—(1) Middleton II, (2) Malcolmson I, (3) Rhame. Time 58 2/5 secs.
 880 yd.—(1) Malcolmson I, (2) Rhame, (3) Lindsay I. Time 2' 25 1/5 secs.
 One Mile—(1) Edmonds, (2) Horn, (3) Malcolmson I. 5' 23 1/8 secs.
 120 yd. Hurdles—(1) Errington I, (2) Rhame, (3) Malcolmson. Time 16 3/5"
 High Jump—(1) Malcolmson I, (2) Errington I, (3) Rhame. Height 5' 7"
 Broad Jump—(1) Rhame, (2) Malcolmson I (3) Hersh. Distance 20' 1"
 Pole Vault—(1) Errington I (2) Putman (3) Malcolmson I. Height 9' 3"
 Shot Put—(1) Taylor I, (2) Errington I, (3) Middleton I. Distance 39' ½"
 Discus—(1) Errington I, (2) Malcolmson I, (3) Taylor I. Distance 97'
 Javelin—(1) Errington I, (2) Malcolmson I, (3) Putnam. Distance 148' 8"

INTERMEDIATE :-

100 yd.—(1) Collett, (2) Laurence, (3) Coon. Time 10 4/5 secs.
 220 yd.—(1) Collett, (2) Laurence, (3) Horn. Time 25 4/5 secs.

UPPER CANADA RELAYS

On Wednesday afternoon May 29th, Northern Vocational School, Pickering College, Trinity College School, Upper Canada College, and St. Andrew's College brought forth their respective track teams to compete in the Annual Upper Canada Relays. The weather was perfect for the event, and a large crowd turned out.

The first event was the Pole Vault. Malcolmson I and Errington I represented the School and tied for third place. Miller for Northern Vocational School won the event.

In the Junior High Jump Worling II and Bell I cleared 4' 6" but were outjumped by Upper Canada and Trinity. The Javelin Throw was won by Pickering College, but Errington I made the best throw.

The Intermediate Hurdles were won by T.C.S. with Errington III coming a close second. Rhame won the Senior Hurdles, and tied the record of 15.4 seconds. The Junior Hurdle Relay was won by Trinity College with Upper Canada second and St. Andrew's College third. T.C.S. set a new Junior Hurdle Relay record of 35.5 seconds.

The Intermediate High Jump was won by T.C.S. with Pickering second and Upper Canada and St. Andrew's tied for third place.

The Senior Put Shot, Discus, and Senior Broad Jump were all won by the school, with Rhame setting a new record of 20' 8 3/8" for the broad jump. Carlé and Errington I won the Discus while Carlé and Taylor I won the Senior Shot Put. In the Junior Shot Put Hannan and MacKinley tried very hard but were unable to come through with a win.

The Senior Mile Run was won by Barrow of T.C.S., with a time of 4 minutes 54.7 seconds. Ecclestone and Lindsay I represented St. Andrew's in the Senior Mile and tied for third place. In the Intermediate 880 yd. run, Ken Lambert of T.C.S. took the honours with Eastern of N.V.S. and Horne of S.A.C. tailing a close second and third respectively. A new record of 38' 7" was set in the Intermediate Shot Put by Lemberg of N.V.S.

In the Senior High Jump, Stokes of T.C.S. jumped 5' 7" and was closely followed by Malcolmson I of S.A.C.

The Intermediate 440 Relay, Intermediate 880 Relay and Senior Mile Relay were all won by the school. In the Intermediate 880 Relay, the team of Nold, Putnam, Lawrence and Collett set a new record of 1 minute 37.6 seconds.

The Intermediate Broad Jump was won by Collett and Putnam of S.A.C. A new record was set by Collett. The Senior Medley Relay was won by St. Andrew's but they were disqualified for passing the baton beyond the mark. Rhame, Taylor, Errington I, and Collett were outstanding for the school. The Senior and Intermediate Relay Teams deserve a lot of credit.

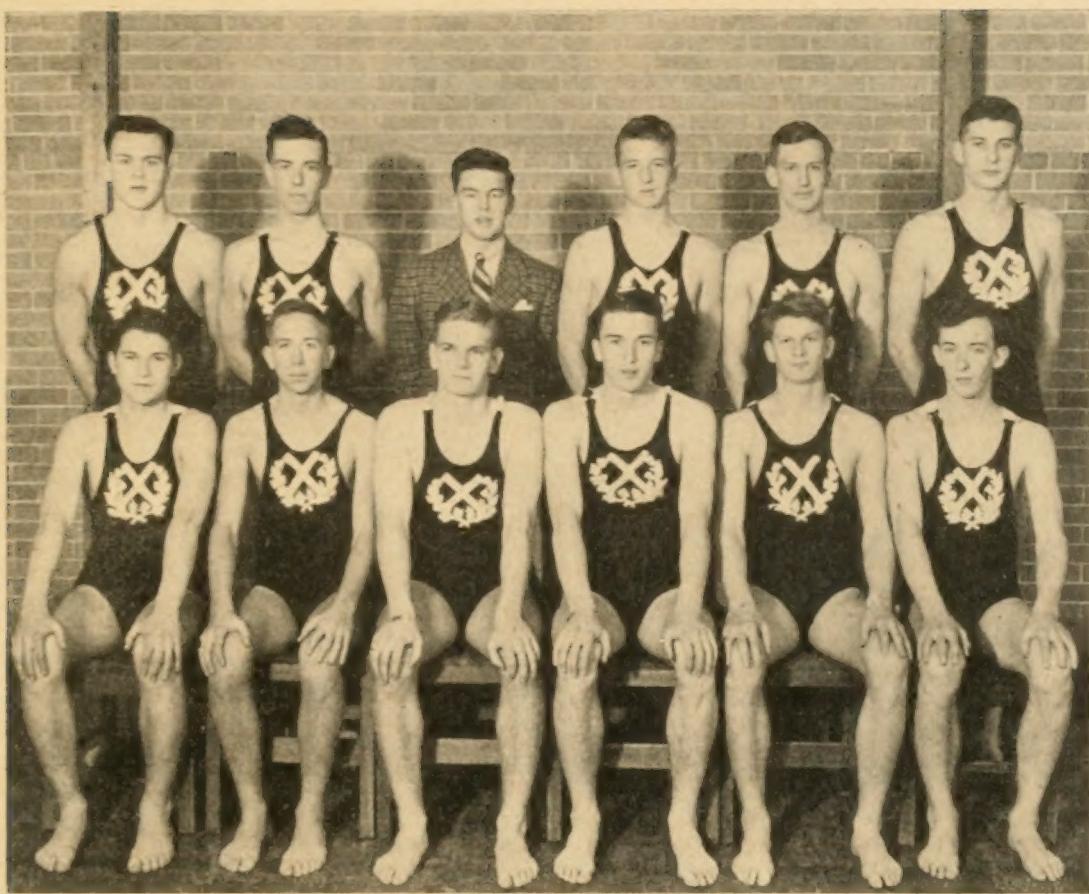

The final scores were:

Upper Canada College	147	points
St. Andrew's College	146	points
Trinity College School	147	points
Pickering College	127	points
Northern Vocational School	91	points

GYM TEAM

Front Row: C. MALCOLMSON, R. OPIE, R. OMSTEAD, D. COLLETT,

Back Row: B. TAYLOR, G. HUTTON, D. MURRELL, J. LAING, A. LINDSAY,
W. ERRINGTON.

THE LITTLE BIG FOUR SWIMMING MEET

On Saturday the sixteenth of March, the annual Little Big Four Swimming Meet was held in Hart House Pool. With only three old colours and a team in the main composed of new boys the School did very well, despite the score. In nearly all events the team was outclassed by excellent swimmers from Ridley and Upper Canada, but there was very little to choose from in the matter of time, as many of the runners-up were very close.

Three new records were established by the Christie brothers and the medley relay-team from Ridley. Christie Major did the two-hundred-yard free-style in two minutes, twenty-one seconds, while Christie Minor did the fifty-yard breast-stroke in thirty-three seconds. The relay team covered their distance in one minute and thirty-two seconds to break the old record. We are very glad to see that no one broke the fifty-yard free-style record set by J. Saylor last year. In the race this year Saylor was leading three quarters of the way when he suffered a cramp and had to drop back to fourth place.

Final tabulation of the points found Ridley and Upper Canada first with fifty-six points each, Trinity second with sixteen and the School trailing with eight.

The team was captained by Malcolmson I, while J. D. Murrell was the coach. Both did extremely well in their respective positions.

Medley Relay :—	B.R.C.; U.C.C.; T.C.S.....	(1:32.8 new record)
200 yd. free-style :—	Christie, B.R.C.; Gibson, B.R.C.; Malcolmson, S.A.C.	(2:21.8 new record)
50 yd. free-style :—	Mathers, U.C.C.; Rainbow, B.R.C.; Robinson, U.C.C.	(time 26.95)
50 yd. back-stroke :—	Colley, U.C.C.; Christie, B.R.C.; Heddon, U.C.C.	(time 31.3)
100 yd. free-style :—	Glen, B.R.C.; Yonge, U.C.C.; Wilkie, B.R.C.	
50 yd. breast-stroke :—	Christie, B.R.C.; Gibson, U.C.C.; Knox, U.C.C.	(33.95 new record)
Diving :—	Barr, U.C.C.; Peniston, U.C.C.; Sinclair, T.C.S.	

LIFE SAVING

This year St. Andrew's College placed third with 193 points in the annual competition for the Cochrane Cup, which is given to the swimming club which has attained the highest numbers of Life Saving Society Awards throughout the year. The school to date has six boys who have been appointed examiners in the Life Saving Society, and these boys, under the supervision of Mr. Kendall, have been formed into a Life Guard Corps.

The five guards are fully qualified to administer aid in the case of any mishap that might occur in the swimming pool, and are also solely responsible for the behaviour and the supervision of the boys while they are in the pool. Each life guard is on duty one day a week, and is instrumental in teaching life saving and swimming to the other boys.

The following boys form the Life Guard Corps.

Macdonald House

EDITORIAL

ONCE again Macdonald House has had a very successful year, both academically and in sports. On the whole the standard of health in the House has been kept very high, except for a slight epidemic of mumps before Easter. After the winter half-term, Young, Lindsay and Clarkson were appointed librarians. We wish to congratulate them.

* * *

On May 11th Macdonald House night was held, and a large number of guests enjoyed a very pleasant evening. The feature attraction of the night was the play adapted from Tarkington's book, "Penrod". After the play, the guests were shown the displays. Bedford's and Catlin's coin collections, and Mr. Wingfield's model aeroplane, among many other models and drawings, drew much interest. Under the expert guidance of Mr. Kendall the boys produced a fine display of woodcraft, and we would like heartily to congratulate Mr. Kendall on his good work. After the display the guests retired to the dining-room where refreshments were served.

* * *

The day chosen for the ski-race turned out to be exceptionally good. This year we had a record enrolment of boys participating. The ski trophy was won by Murphy II, who broke the former record of 30 minutes, with a time of 28 min. 10 sec. He was closely followed by Coon, who also broke the record.

The Montrose Clan came first, owing to the hard work of Murphy II, Coon and Wright. In second place came the Bruce Clan, followed by the Douglas and Wallace.

Special credit should be given to Northey, who came fourteenth, and is only in the Primary.

We would like to thank Mr. Ives and the stewards for all their help.

* * *

The Lower School is happy to welcome Mrs. Holden who has lately arrived from England. We hope her stay at St. Andrew's College will be a very pleasant one.

We wish to congratulate Mr. and Mrs. Macrae on the birth of their baby boy, Monty Bruce.

On the last night of the winter term the hockey colours were given out by Mr. Macrae.

The boys who received their colours were Franceschini, Coon, Murphy I and Stewart.

The Prep. team under the coaching of Mr. Holden had a successful season.

Read, Crossley and Young received their colours.

We should like to congratulate these boys.

This year the boxing season started with great enthusiasm. The boys went to the gym to fight their preliminary bouts every day.

On the night of the finals there were many interesting fights in which good boxing skill and pluck was shown by the boxers.

Omstead II, Bain, Read, Shenstone, Graham and Fine II proved themselves the best boxers in their respective classes.

Mr. Campbell, A Red Cross swimming instructor, came to the school to pick a number of boys to go to Hart House for a swimming display. Among these boys are Post and Lewis II, both of whom are in the Primary. He also tested many boys who tried for either Senior, Intermediate or Junior certificates.

We wish to congratulate Mr. Campbell on his good work.

MACDONALD HOUSE SCHOOL PLAY

Booth Tarkington's "Penrod" adapted for the stage by Edward E. Rose proved to be a very happy choice for this year's Macdonald House play as its enthusiastic reception by boys, parents and friends adequately testified.

Mr. Ives, the director, with his usual skill created an excellent setting for an episode in the life of the young son of a small-town banker. The three scenes took place in the side yard of the Schofield's house. Mr. Macrae is to be congratulated on the realistic hedge and trees which he made seem such a natural part of the scenery. Many other bits of construction were also the result of his good work, in which he was assisted by Kelly I.

Mrs. Wright, Mrs. Ketchum, and Mrs. Holden, in charge of costumes, proved themselves ingenious and resourceful in providing the right clothes for the players, with Mrs. Wright acting as Mistress of Robes. Mrs. Ketchum created a rather "fetching hair-do" for Somers II in the role of Margaret Schofield. Mrs. Lambertson and Mrs. Bricknell, with skilful touch, "made up" the players. Stowe was in charge of properties and the "bits and pieces" were all there when required, (though the pistol DID refuse to function, and the cake disappeared completely immediately after reaching his hands off-stage). Clarkson proved a faithful worker as prompter, and "an ever present help in trouble". Ushering was well done by Hannan, Read, Malcolmson II, Ballentine, McKinley, Franceschini, and Bain.

The whole play was characterized by excellent team-work which accounted for much of the play's success. Salter as Penrod Schofield, and Shenstone as Sam Williams played their parts with enthusiasm and naturalness. Their complete spontaneity gave life to the play, especially

LOWER SCHOOL PLAY

Back row, left to right: MR. IVES, MCKENZIE II, CLAVELL, SOMERS II, PITFIELD, STEWART.

 Front Row: CLARKSON, FINE II, LEWIS II, FINE I, STOWE, KELLY I.

in the scene at the beginning of the Second Act with the Fine brothers. Their lines, though lengthy, were well learned, but perhaps spoken rather too quickly for full effect. Penrod lacked a little in expression but acquitted himself very well. Shenstone as Sam played the difficult part of second fiddle to Penrod with restraint and skill. Fine I as Herman, and Fine II as Verman, played the part of the coloured twins very well, and seemed to enjoy themselves thoroughly. Griesdorf I, as Della the coloured cook, carried his share of the play, though his enunciation was not clear at times, and she was inclined to smile when it might have been better to have kept a "straight" face. "Jarge" played by Anderson I probably gave the best performance among the smaller parts. His characterization of the lazy, straw-chewing, coloured man-of-all-work was excellent, his drawl being particularly effective. Margaret Schofield, the romantically-minded older sister of Penrod, revealed Somers II as possessing promising "dramatic sense". She looked attractive, and walked well. McKenzie succeeded in being the mother of a rather difficult family, and made the most of a number of very small and disconnected speeches. The serious-minded young swain of Margaret Schofield was effectively played by Pitfield. Clavell carried off the part of Mr. Schofield very well. It is always more

difficult to play the middle-aged man rather than the young or old man. Dugdale as "Tim", Catlin II as Mrs. Bassett, Trent II as Georgie Bassett, Trent I as Chief of Police, and Smith V as the Rev. Lester Kinosling filled their parts adequately. The "smoothy dude", Herbert Hamilton Dade, who tried unsuccessfully to win the hand of Margaret Schofield, needed a little more confidence to be really convincing. Lewis II was altogether charming as Marjorie Coombes.

This effort in the dramatic field was a worthy successor of many other first-class Macdonald House productions directed by Mr. Ives. Great credit is due to all concerned for the patience and hard work that went into the presentation.

The audience was most appreciative, and what play is successful without an appreciative audience? Material evidence of this was also present in the collection box at the door in the form of fifty-four dollars. Expenses for the production amounted to fifty-one dollars, so from every angle the play was a great success.

This year, cricket has had a most successful season. Nearly every boy in the House has taken part in one of the three squads. Unfortunately those boys who were over fourteen years on September 1st, 1945, were not eligible for our House team and consequently had to play with the Middle School. Many boys in this group preferred to take part in the Track and Field activities under Mr. Kendall. Two boys, Kelly I and Hannan, played for the Under-Sixteen Team and Kelly particularly did well with his bowling. We are hoping that he may develop into a First Team bowler for next year.

The First Squad was composed of boys of fourteen and thirteen. It was from this squad that the Under-Fourteen Cricket Team was chosen.

The Second Squad, under the supervision of Mr. Holden, was composed of boys of eleven and twelve. The enthusiasm for cricket steadily increased as the season progressed and finally led to a challenge being issued to the Second Team of the First Squad. In the match, Adams and Barr were top scorers with half a dozen runs apiece. Most of the bowling was done by Gillberry and Hill. Other promising cricketers in this squad were Fine II, Graham Shenstone and Omstead IV who won the Junior Cricket Ball Throwing Competition. Many other boys should be mentioned but space prevents too long a list being compiled.

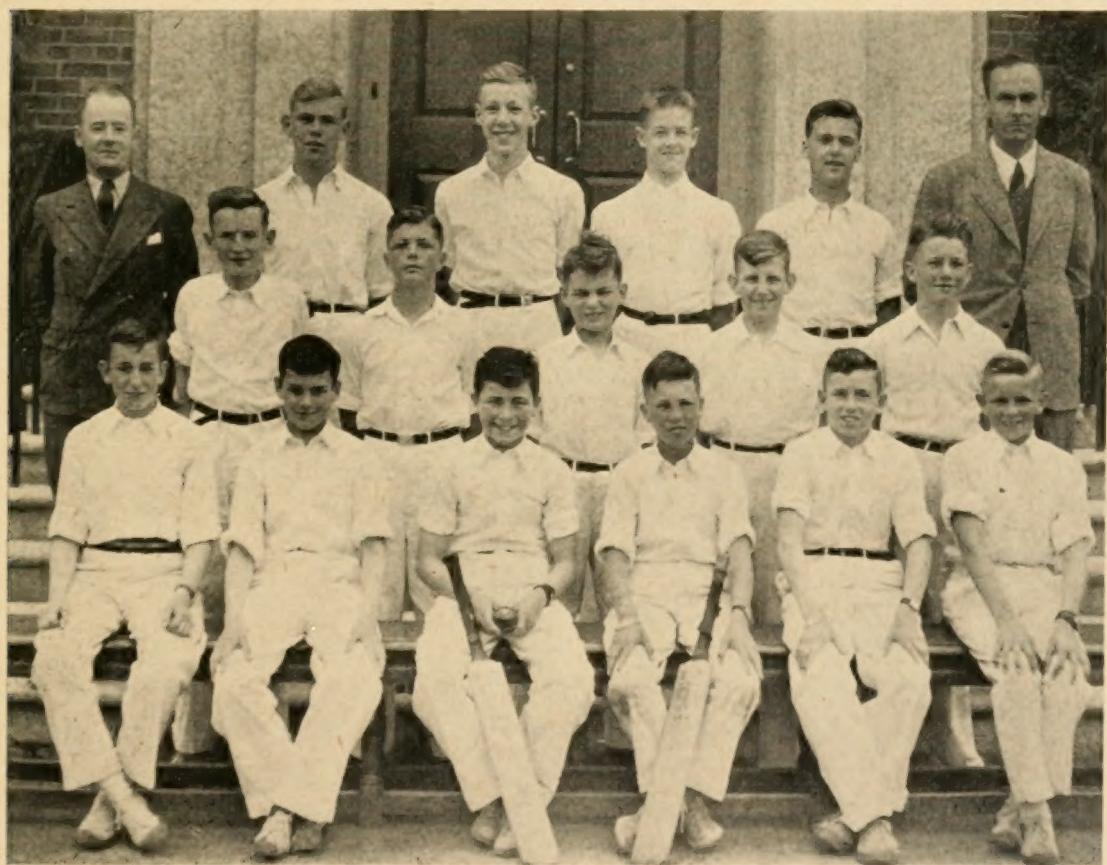

The Third Squad under Mr. Wingfield, varied its activities from day to day. Sometimes a hike would take the place of a regular cricket practice, but nevertheless a great deal of cricket enthusiasm was shown on all occasions when cricket was the order of the day. It is rumoured that Jackson is a very promising bowler and that Cathers shows promise with the

bat. From a distance however, it was sometimes difficult to determine if the M.C.C. rules were always being strictly enforced. Strange things are always happening in Third Squad Cricket!

THE UNDER-FOURTEEN MATCHES

Against the Lower School, Trinity College School

This was our first game of the season and it started off disastrously for us. T.C.S. dismissed us for eighteen runs. It was not much consolation for us when we managed to get our visitors out for 41. This achievement was considerably aided by Malcolmson II doing a hat trick. In our second innings, Ellershaw, our captain, made 39 runs and Clavell hit up a vigorous 35 which included five fours. Our total of 97 set the T.C.S. team with a reasonably high objective for their second innings. In spite of a courageous innings by Tessier, one of Trinity's opening batsmen, we managed to get them all out for 40. Clavell bowling was outstanding; he captured seven wickets for only nine runs. The game was a very enjoyable one, played under very favourable weather conditions and we always enjoy entertaining Mr. James and his T.C.S. teams.

LOWER SCHOOL CRICKET

Front Row—G. A. E. CLARKSON, P. W. YOUNG, C. H. MALCOLMSON,
M. K. BALLENTINE, R. L. READ.

Back Row—J. L. WRIGHT, Esq., R. J. CLAVELL, R. S. BRECKENRIDGE,
K. H. IVES, Esq.

Against Upper Canada College Preparatory School

Our second home game of the season was against Upper Canada College. Again we batted first and this time we did better. Stowe and Read, two left handlers, scored 38 and 18 respectively. Stowe was unlucky enough to run himself out when he was within striking distance of scoring his first fifty. Our total score was 84. Upper Canada College replied with a score of 45 which included a nice innings of 13 not out by Rowan. Our visitors were asked to go in again and strangely enough made another 45. This left St. Andrew's with seven runs to win and this total was hit up for the loss of one batsman. Our bowlers, Clavell and Malcolmson, deserve credit for a good performance. Read, our change bowler, also did well with his round-the-wicket-off-breaks. Once again we had grand weather and a very enjoyable game.

Against Ridley College Lower School.

On Wednesday, June 12th, the team travelled to St. Catharine's to play the Ridley College Lower School. Ridley was dismissed for 25 runs in spite of a good innings by Duffield, their captain. (Another performance of the hat-trick by Malcolmson was a feature of this innings.) Then in turn, our batting collapsed and we lost seven wickets making twenty runs. Fortunately for us Malcolmson joined Read at this critical moment and carried the score to 36 before being parted. We finished our first innings with a score of 39. In Ridley's Second innings, Storm made a very good 27 before being caught out and the whole team was finally dismissed for 60. This left us with 47 runs to win. Thanks to some very sound batting by Ellershaw and Stowe, we managed to pass this total for a loss of only two wickets. For the third time, the weather was perfect. Ridley entertained us royally and the boys are still talking about the Eskimo Pies.

First Team Batting Averages

	Innings	Runs	Average
Ellershaw	8	127	15.0
Stowe	9	93	10.9
Franceschini	8	76	9.5

MACDONALD HOUSE HOCKEY

This year the boys were divided into five squads for the hockey season. The First Squad was largely composed of boys who were over fourteen; the Second, or Prep Squad, of thirteen year olds; the Third Squad of twelve year olds; the Fourth Squad of eleven year olds; and finally, the Primary Squad. Each squad practised regularly four times a week. Matches were played on half-holidays, most of them taking place in the Aurora Arena.

The First Team opened its season against a junior High School team from Newmarket. We were defeated by a score of 7-1. Coon scored for us, thereby preventing a shut-out. We were not so lucky in our next game, our old rivals, the Aurora Public School beating us by the score of 7-0. All attempts, unfortunately, to arrange a return game with Aurora failed. We played two games with a Grade IX team from Pickering

College, both of which we managed to win. We finished our season with a game against the Lakefield Preparatory School's 14-year old team. They were a very speedy and aggressive team and defeated us all too easily by a score of 6—0. We hope, however, that next year we may be able to take a team to Lakefield which will give a much better account of itself.

The initial problem that faced the First Squad was to find a goal-keeper. After a good many boys had tried out in the nets, Wilson was finally chosen to fill the position. He lacked experience, but could always be relied on to do his best. Very often, too, the defence in front of Wilson gave the opposition wide open opportunities for scoring, and the resulting goals could hardly be blamed on the goalie. The regular defence consisted of Mckinley and Stewart. Both were good stick handlers who could make a dangerous rush down the ice, but they were not consistent players. They failed throughout the season to play as a unit in co-operation with each other. Mckinley had the greater speed, but his condition was poor. Stewart was a good stick handler but without sufficient drive and speed to make him effective.

The team had two regular forward lines. One line consisted of Franceschini, Coon and Read, Franceschini having been elected captain of the team. He was a fast skater who could make openings but often failed to capitalize on them. He must learn to play with the other members of his line, fast thinking when an opportunity presents itself being absolutely essential. As captain of the team it would have been nice to see Franceschini out on the ice a little earlier at all the practices. Coon is a fairly accomplished all-round hockey player but he seemed to lack any real spark. Again more team work would have helped his line. Read is probably the best natural player on the line, but he lacked speed and weight. Hockey demands a great degree of ruggedness. Crossley sometimes substituted for Read. He was also handicapped by his size although he was a good skater and stick-handler.

The other line certainly made up in size what they lacked in skill. Henry, playing at centre, unfortunately never seemed to come to a practice without some serious handicap—skates that did not fit or a broken old stick! The best player on the line was Murphy I. He had fair speed and stick-handling ability. However, he did not develop enough condition during the season to make him effective during the last period of a game. His brother, Murphy II, played on the left wing. Although having some ability, he completely lacked any sense of team play. Time and time again he failed to pass the puck when he should have done so. In summing up, it must be admitted that the team of 1946 lacked fire and the ability to think and act quickly when the occasion demanded.

Macdonald House Hockey Colours were awarded to Coon, Franceschini, Murphy I and Stewart.

The Third Squad enjoyed many practices on the open rink. All boys were enthusiastic and several interesting skirmishes between the Reds and Blues were seen. Fundamentals were stressed during each practice, and it is to be hoped that they will produce good results next year. Fine, Sanderson, Stowe and Malcolmson displayed keen interest and as a result the squad as a whole developed a fine *esprit de corps*.

The Primary Squad, under the guidance of Mr. Wingfield, can boast of a fine record as far as winter athletic activities are concerned. Skiing, skating and hiking were the order of the day, and, judging from the hockey talent, S.A.C. should not worry too much about the future. Lowry II, Graham and Rennie were very active in this squad.

PREP HOCKEY

THE RIDLEY GAME

Our first big hockey game of the 1946 season was played at Ridley College. The ice was fast and both teams seemed to experience difficulty in keeping their feet. It was not long, however, until some expert hockey was seen and goals were scored by Read, assisted by Crossley, and by Graham, assisted by Stowe. Ridley retaliated with two goals. After a hard fought second period we had regained our initial lead, the score standing at 4-2. In the third period Young, Crossley and Franceschini scored with assistance from Read, Stewart and Ballantine, making the score 7-2. Ridley pressed the play on numerous occasions but were outguessed by Malcolmson on what appeared to be certain goals. Our sincere thanks go to Ridley for their generous hospitality and display of real sportsmanship.

THE PICKERING GAME

The second game of the season provided Pickering as our opponents. Both teams were evenly matched and the first period produced some interesting hockey. The last two periods favoured S.A.C. and the game ended with a score of 13-6.

Our main-stays were Franceschini, Crossley, and Stewart.

THE UPPER CANADA GAME

U.C.C. were our guests for this game and it was good to see our traditional rivals in the Aurora Arena. S.A.C. began with enthusiasm and scored two goals before our rivals had time to settle down, Stowe and Graham being the marksmen. During the second period U.C.C. seemed to be everywhere, and goalie Fine was kept more than busy controlling the

puck. Our defence seemed to melt away under the terrific pressure set up by our opponents. The period ended with a score of 4-2 for U.C.C. The third period provided a more determined effort on the part of S.A.C., but it did not last. A superior Upper Canada attack swarmed over our defence and the game ended 10-2 in our opponents' favour. We hope that next year we shall be able to provide stronger opposition.

THE TRINITY GAME

It was with great joy that the prep team was told that a game had been arranged with T.C.S. in the Varsity Arena. Mr. Holden supervised the transportation to and from Toronto, and coached during the game. The first period provided many thrills but it was soon evident that T.C.S. possessed a very powerful squad. Their ability both on offence and defence showed that they were superior to S.A.C. The School, however, refused to give up, and did their utmost to score. The game ended in favour of T.C.S., the score being 7-0. The experience on the big ice surface will undoubtedly prove beneficial, and we hope that next year a closer game will result. Our congratulations go to T.C.S. for providing a well-organized and well-coached team.

Presentation of athletic awards:

1. The Cook Trophies: Junior—Malcolmson
Senior—Read
2. Cricket Trophies:-
 1. Ladies' Guild Miniature—Ellershaw
 2. Highest batting average—Ellershaw, by reversion to Stowe.
 3. Highest bowling average—Malcolmson
 4. Throwing the cricket ball

Junior—Omstead IV
Senior—Moores
 5. Hat Trick—Malcolmson
3. Ladies' Guild Trophy—Coon
4. Cricket Colours—Clavell Malcolmson
Ellershaw Read
Lindsay Stowe

LITERARY

ALONE ON AN ICE-FLOE

"Mush!" the sharp cry rang out over the frozen wastes of Western Greenland.

Jack Dawson had set out to find a missing party of explorers and had seen what seemed to him their last camp on an ice-floe, drifting towards the southern seas. Now it appeared that he would join them in their fate, for this morning he had felt a series of tremors as though warning him to head for the mainland without further delay.

On the horizon a dark fissure was lengthening and widening slowly.

He cracked the whip but could urge no more speed from the weary dogs.

Dawson stumbled, almost fell, but regained his balance and raced on. He began to feel tired and the fissure was still a mile away. It would have to open only ten feet and he would be stranded.

The dogs seemed to sense the danger and raced onwards.

Suddenly the ice parted, but Dawson, hoping that the floe would drift inward, sped towards the ever-widening gap. In another minute he reached the edge, only to find it too wide to be crossed.

Even if he could have reached the solid ice he could not have taken any food across, and help was miles away.

For five days he sat burrowed in a small hole in the ice, eating fish and drinking water squeezed out of them. He had kept the sleigh in running condition, using only extra wood for fires.

Finally, after days of freezing and slim meals of nothing but fish, he sighted a patrol boat and attracted their attention by waving his red shirt. In a few minutes he was on board, drinking hot tea and telling his story to the astounded crew.

HECTOR I. UPPER SECOND.

ICE HOCKEY

Ice Hockey, the national game of the Dominion of Canada, first appeared here in an organized way about the late eighties, when the Victoria Club of Montreal played McGill University, and the Royal Military College of Kingston played Queen's University. At the beginning of each game, rules were made up and agreed upon by each team.

Ice Hockey actually began, however, when the Royal Military College challenged Queen's to a game to be played on the ice of Dead Man's Bay. A lacrosse ball and field hockey sticks were to be used. The game pro-

gressed satisfactorily except that the lacrosse ball proved too active, and could not be controlled, so that at half-time it was decided to whittle it down to a cube, thereby encouraging it to slide rather than bounce along the ice. This original puck is now on display in the gymnasium of Queen's University.

From this beginning developed a seven-man game, which included a rover. The rover was later dropped and the six-man formation has remained until the present day.

Until the introduction of the forward pass in about 1932, the game featured a series of three man rushes, each rush a climax in itself. This form of play is considered by many old-timers to be of greater appeal than the continuous tempo of the modern game. It is difficult, however, to sympathize with this opinion in view of Canada's increasing enthusiasm for her national sport. For in every town in Canada this game is being played and enjoyed by an increasing number of people, and at the time of writing the Maple Leaf Gardens in Toronto reports the largest crowd ever to attend an amateur hockey game.

In all probability hockey will continue to change from year to year, just as it has changed since R.M.C. first played against Queen's, but with all Canada participating in it, hockey is bound to increase rather than lose any of its thrilling aspects.

D. R. MCKINLEY. UPPER SECOND.

A TRIP TO NIAGARA FALLS

We were to meet Mary and a friend on the dock where the boat leaves for Niagara Falls. It was to take us as far as a little town called Port Dalhousie. From there we would go on a bus to the Falls.

We left home early in the morning in order to catch the early boat. When we got there, however, Mary and her companion were not to be found.

The boat was getting up steam, but still they did not come. We kept one eye on the street cars and the other on the boat.

The boat left without us, but still they did not arrive. The boat that was to leave in an hour was getting up steam by this time.

Then, when we had just about given up hope of their coming, they stepped out of a street car. We had forgotten all about another boat that left for Niagara from a different dock. We caught the next boat and soon were on our way. The trip across the lake was uneventful. The water was calm and it was a beautiful day.

When we arrived at Port Dalhousie we caught the bus for the Falls. It rattled and shook but it got us there safely. The waters cascading over

the one hundred and twenty and some odd feet certainly looked beautiful glistening in the sunlight.

We crossed over to the American side of the Falls where we had dinner. Then we went into the town itself where we bought souvenirs.

At last we went to the edge of the Falls where a railing prevents one from falling in. We could see the little steamer, the "Maid of the Mist", making her dangerous voyage up to the base of the Falls where the water swirled and rocked from the impact of the cascading waters coming over the brink.

We then decided that we would like to make the trip so we descended the elevator shaft to the wicket where we bought our tickets. Then we went out to the little dock to wait for the steamer.

It came at last and we went on board where we were given oilskin rain-coats. The boat pulled away from the dock to make the trip across to the Canadian side.

Then the boat proceeded to take us up to the Falls. The spray splashed in our faces as we drew close. How high the tumbling waters looked from the boat!

We turned around and soon we were at the dock again. We ascended the elevator shaft and found that it was time to go home.

The bus was waiting when we crossed the bridge to the Canadian side. We climbed aboard and soon we were on our way.

We caught the boat and soon were home. I shall always remember my first trip to Niagara Falls.

AN APPRECIATION OF "TOM BROWN'S SCHOOL DAYS"

Thomas Hughes, as author of "Tom Brown's School Days," is sometimes said to have become illustrious by his book. I, for one, approve of his story. It provides interest and entertainment, with the exception of the first two or three chapters. There are many reasons for liking, and also disliking this story, which I am to about explain.

In the first two or three chapters, Hughes gives a boring description of the reputation of Tom Brown. I think this is absurd, as it only serves one purpose. This is to show the merited goodness possessed by the hero of the story, Tom.

I rate as Hughes' worst fault the omission of descriptions of many characters. East, for example, was one of the most important characters, and yet, there is very little told of his features.

"Tom Brown's School Days" is by no means humorous. Practically every sentence is perfectly sensible, and straightforward.

The author had a peculiar habit of writing of unimportant events. For instance, one night after Tom had had a fight with some of the older boys, Hughes wrote a fifteen line paragraph on Tom's sleep. This often caused the story to be boring.

To me, Hughes' style is flowery. He writes long and stringy sentences. This can be plainly seen if you consult the book.

The author had an interesting technique of expressing the boys' thoughts. For example when Tom heard of Arthur he described Tom's unpleasant thoughts. Perhaps the cause of this was that Hughes also went to Rugby College. He may have thought some of the thoughts referred to in the book.

It seems very strange that this story took place in England, yet there is little English dialect spoken. I presume I will never know the answer to this, but it does seem peculiar.

This title was well selected. It expresses Tom's relationship to his school, Rugby. If the author's intention had been to conceal the plot, another title would have been necessary.

RICHARDSON. LOWER SECOND.

THE STORY OF ENDLESS CAVERNS

Deep in the heart of the great and historic State of Virginia is situated the tiny town of New Market. Near this town is the farm of Reuben Zirkle where the Endless Caverns were discovered in 1879.

The discovery was made when two young boys and their dogs chased a rabbit up the slope of a pasture on the side of the Massanutten Mountain. The rabbit ran behind a large boulder and the two boys, after many tries, finally succeeded in moving it. To their great surprise they were looking down a great shaft of mystery, a shaft penetrating the limestone heart of the Massanutten Mountains.

Ever since then, tourists have enjoyed the wonderful sights of the Grand Canyon, which is almost an exact replica of the Giant Canyons of Colorado. They mount crystalline stairs to Solomon's Temple, where twin columns, made by nature, support the world above. From there, one may look down a great chasm to the third level and the shimmering water of an underground stream, still at work shaping more of this great belt of caverns. It is not hard to imagine the feelings of people as they see it for the first time. In the great cavern known as Alexander's Ballroom dances were held and the fiddlers sat high above the dancers while the room was illuminated by candles set in huge iron rings fastened to the ceiling. One day an exploring group's candlelight fell on the beautiful sight of Diamond Lake, which is a small pool of the clearest water, fed for centuries from

thousands of dripping stalactites of sparkling crystal. Lack of good light caused the dances and explorations to be stopped and the caverns were closed for thirty years.

But luck again came to the caverns in 1919 when Col. E. T. Brown and his son Maj. E. Brown heard of the wonders of the caverns, purchased the property, and opened their depths again to the public. When they were opened the old wooden stairs, ladders and railing fell to pieces at a touch and were almost hidden by glistening heaps of mould like spun glass. They were replaced by stone stairways cut out of the rock. The mould was caused by the dampness of the cave, the wood being unable to petrify because of the absence of dry air.

All these wonders and many others are to be seen by you on your happy journey south.

HUGHES I. UPPER SECOND.

NEWFOUNDLAND

In 1497, Newfoundland was made famous through the discovery by John Cabot of her amazing wealth in fish. Fishermen from Europe visited the Grand Banks and publicized to the whole known world the wealth of this new found land. The island became a base for many nationalities, and their names can be found to-day in the coves and bays which were their havens: Fleur de lis, Point aux Gaul, Port-aux-Basques, Spaniards' Bay, English Harbour, Portugal Cove, Turks Cove, Ireland's Eye and many others. With time the overshadowing development of North America eclipsed Newfoundland's importance, and she gained prominence only on such occasions as when the first trans-Atlantic cables reached this side of the Atlantic at Heart's Content; when she dropped her status as England's oldest colony in 1855 and became a dominion; or when Lindbergh waved good-bye to this continent on his historic flight as he flew through the narrows of St. John's Harbour.

The war, however, enabled the world to make a new discovery of Newfoundland, for her importance as a Naval, Air, and Military base brought an influx of fighting men from many parts of the world, men who have since returned to their widespread homes to tell of this little-known country. They tell of the unhesitating hospitality that greeted them, of a naïve people profoundly in love with their rocky homeland, and who express their fondness in such names as Happy Adventures, Paradise, Heart's Content, Heart's Desire, Comforts Cove and Cupids. They tell of the rugged beauty of her shorelines and of the unspoiled interior where abundance of game and fish provides a hunters' paradise.

For Newfoundland is a country which, until recent years, had turned almost entirely to the sea for a livelihood, an arduous but productive pur-

suit. Her soil has always been fruitful, but with the Banks at her doorstep she gave little attention to the wealth that lay in her forests and deeply buried in her rock. It was not until the 1920's that a determined effort was made to industrialize the country, and the resulting discoveries and progress were not only an inspiration to the country, but a challenge to the rest of the world.

Since that time, Newfoundland has increased her production of newsprint, and now stands close behind Canada as the sixth largest producer of newsprint paper in the world. Virtually untouched in her Labrador territories lie the greatest reserves of timber left in North America, so that the future of this industry is filled with great promise. At Bell Island and in Conception Bay the country boasts the world's largest deposits of red hematite iron ore, great quantities of which go to Sydney, N.S., for the production of Canada's steel. She has the greatest cod fishing grounds in the world. In the past most of the fish has been salted and sent to Spain and Portugal, but now the adoption of modern methods of refrigeration permits frozen cod fillets to be sent to the better markets of the United States, Great Britain and Canada. Another important but little known industry is sealing, which before the war was one of the country's most remunerative enterprises.

Newfoundland is visited every year by hundreds of tourists from the United States and Canada, who come for the splendid sport and magnificent scenery which the country provides in great abundance. In the inland regions the ponds and rivers teem with salmon and native trout. The great writer and novelist Zane Grey said, "I have never been to a place before where wild game is so plentiful, and so easily reached." Specially famous are its wild duck, caribou, partridge, and fox. Among the tourists who visit the country, are artists, who from this picturesque land produce some of the world's masterpieces.

Newfoundland merits watching. The tremendous strides she has made since the 1920's point to a great future. It is expected that within twenty years she will be one of the greatest mining countries in the world, producing \$25,000,000 worth of minerals each year. Her newsprint production will be equal to that now achieved by the United States, and she will be developing more than enough electric power for her domestic use. Newfoundland will be one of the great summer playgrounds of America, drawing 50,000 tourists a year and threatening to rob Canada of her reputation as America's number-one holiday resort.

Twenty years ago, Newfoundlanders discovered the potentialities of their own country; the world at large is just becoming aware of them now.

F. D. MOORES. UPPER SECOND.

OLD BOYS' NOTES

ARTHUR W. DUNBAR ('29-'31) is associated with the firm of Drew-Brook and Sams, Insurance, in Toronto.

J. K. MACDONALD ('13-'22), former general manager and director of the Confederation Life Assurance Company, has been elected Vice-President.

JOHN SISMAN ('32-'39) has been named first president of the newly organized Aurora and District War Veterans' Association comprising veterans of both world wars.

On his retirement as wartime administrator of Canadian Atlantic ports, E. L. COUSINS (1900-01) was presented with an illuminated address by the Mayor of Halifax who paid high tribute to his services. Mr. Cousins was General Manager of the Toronto Harbour Commission at the time of his appointment as administrator in 1942. During nearly four years in Halifax he played a major role in housing as well as in shipping. He is now back with the Toronto Harbour Commission as consultant.

Among the hundred war veterans to be decorated recently at Queen's Park by His Honour Lieutenant-Governor Albert Mathews was BRIGADIER CYRILLE JOSEPH LAURIN ('22-'27) who was awarded the O.B.E.

G. T. SOMERS ('10-'15) has been elected Vice-President of The Crown Life Insurance Company.

REV. G. O. LIGHTBOURN ('03-'08), Chief Chaplain of the R.C.A.F. overseas during the war, received the O.B.E. in the last New Year's honours list. He is now assistant rector at Christ Church, Deer Park, Toronto.

D. STEWART PATTERSON, O.B.E. ('15-'21), has been appointed Manager of the newly opened Montreal Office of Burns Bros. and Denton Limited.

CAPTAIN N. DYSON SLATER, Croix de Guerre ('24-'27), has returned to the firm of Wood Fleming and Company, Limited, Toronto, after five years on active service.

H. B. HOUSER (1899-1903) was elected a director of Mercury Mills Ltd. at the annual meeting of the company in Hamilton.

GROUP CAPTAIN GORDON R. McGREGOR, O.B.E., D.F.C. ('17-'20), one of Canada's foremost flyers during the war, has been appointed General Traffic Manager of the Trans-Canada Air Lines. Group Captain McGregor distinguished himself in the Battle of Britain and was one of the first three members of the R.C.A.F. to be decorated in the war. He was appointed to the command of an R.C.A.F. fighter squadron and later became Director of Staff at Air Force headquarters overseas. Since his award of the D.F.C. he has been decorated three times, being twice mentioned in dispatches and in 1943 made an officer of the Order of the British Empire.

W. G. COURTNEY ('09-'11) has also been appointed a Regional Traffic Manager with the Trans-Canada Air Lines.

The award of the Military Cross to CAPT. JOHN GRAHAM HOUSER ('28-'32) for action at Dieppe in 1942 was announced following his release as prisoner of war.

ERIC SCOTT ('25-'27) has been elected a member of the Toronto Stock Exchange and is a partner of the member firm of J. H. Crang and Company.

Lt.-COL. ERIC ACLAND ('19-'24), since 1944 Deputy Director of Military Intelligence at National Defence Headquarters, has now retired from the army.

Col. Acland was responsible for over-all organization of Canadian Army Security and Counter Intelligence services from 1940 on. Before the war he was known as a Toronto newspaperman and author of several books.

JOHN MCCOLL ('28-'36), an active horseman, has been made a director of the Canadian Hunter, Saddle, Light Horse and Improvement Society.

The appointment of AIR COMMODORE GEOFFREY S. O'BRIAN, C.B.E., A.F.C. (Master '35-'38), as Director of Cadet Training for Ontario has been announced by Premier George Drew, who said that the new director brings to the post considerable experience in military, business and legal fields. Air Commodore O'Brian has made a survey of some parts of the province and expressed the view that cadet corps activities will prove a step toward checking juvenile delinquency.

D. C. CARLISLE ('13-'14) has been appointed Treasurer of the Goodyear Tire and Rubber Company of Canada, Limited.

LIEUT. GORDON F. PIPE ('30-'33) is Manager of the Conservation Department of the Independent Order of Foresters.

GRAHAM F. TOWERS ('11-'13), Governor of the Bank of Canada, has recently assumed General Chairmanship of the National War Finance Committee. He is to be principal guest on Prize Day.

THE RIGHT HON. VINCENT MASSEY ('02-'06) has resigned his post as Canadian High Commissioner in the United Kingdom, thus ending a ten-year term of office during perhaps the most difficult but the most interesting period of Canada's history in relation to the British Commonwealth and the United Kingdom. He is the only Canadian High Commissioner to receive the honour of appointment to the Imperial Privy Council. During the war years his duties were particularly arduous. Paying tribute to his services, Prime Minister King stated, "You have the satisfaction of knowing that the distinction with which you have filled the position of High Commissioner and the devoted services which you and Mrs. Massey have rendered to Canada have won for you both a firm and lasting place in the esteem and regard of your fellow-Canadians."

DALE KING ('38-'39) is entering Medicine this year at McGill University.

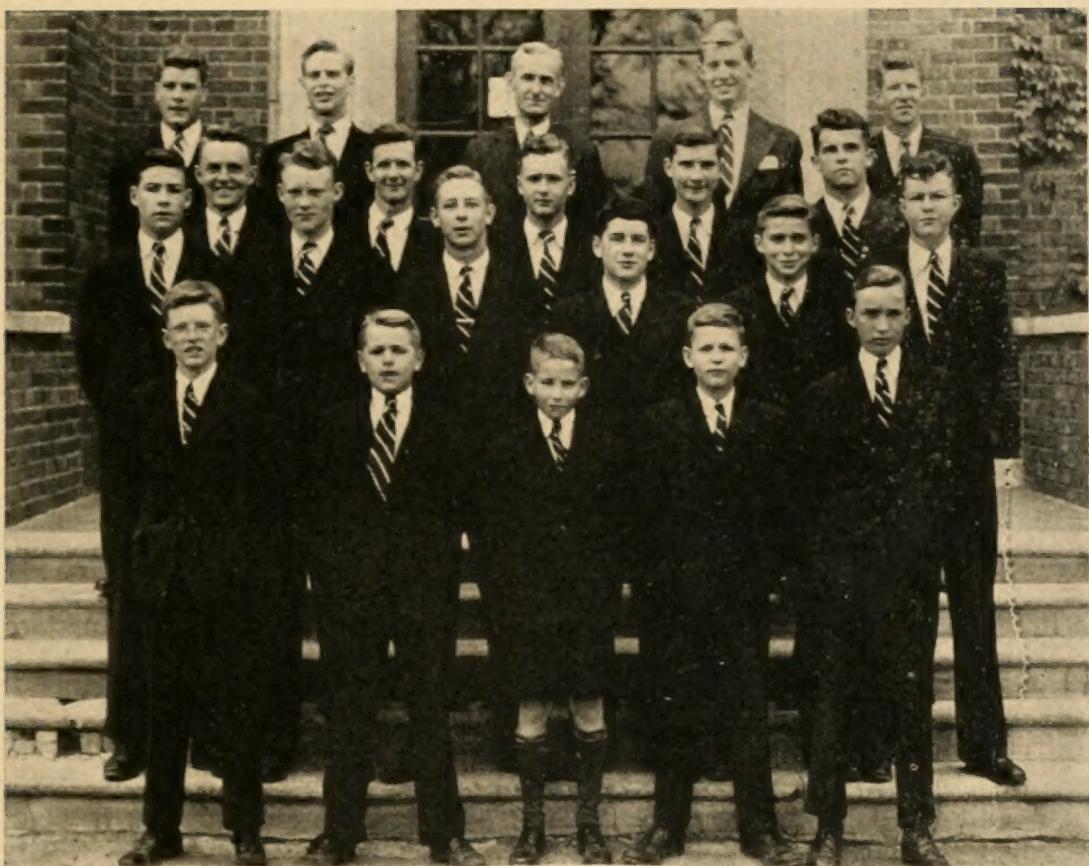

PETER A. SINCLAIR ('31-'32) is Mayor of the town of Barrie, Ontario.

COL. J. D. FRASER, V.D. ('03-'11), has been named an honorary aide-de-camp to His Excellency, the Governor-General.

M. B. E. CLARKSON ('39-'40) and M. T. WILSON ('32-'40) have been appointed Lecturers at Queen's University for the summer.

DONALD FRASER ('38-'42) has been awarded a Fellowship in Mathematics and GRAHAM COTTER ('38-'42) a Fellowship in English at the University of Toronto. Cotter has also won a prize in English, and Fraser the Governor-General's Medal for the highest degree and the Prince of Wales' prize in Mathematics at Trinity College. In addition, Fraser won a University medal in Science and has been elected a representative of the University in the Putnam Mathematical Competition conducted by Harvard University. The School congratulates these two young Old Boys on their splendid achievements.

GARY RAPMUND ('34-'45) has completed with honours his first year at Harvard University. We have been delighted to see him on his visits to the School during the year.

OBITUARIES

ROBERT ALAN SAMPSON, K.C. (S.A.C. 1908-1913). Chairman of the Toronto Board of Education, Toronto, and prominent in Kiwanis circles, Robert Alan Sampson, barrister, died on the 10th of February after an illness of two months at his home, 108 Glenview Avenue, Toronto. He was an honour graduate in political science of the University of Toronto. After graduating from Osgoode Hall in 1921 he acquired the legal practice of the late Miss Clara Brett Martin. He was a past-president of the Eglinton Progressive Conservative Association and served in 1945 as lieutenant-governor of the Ontario-Quebec-Maritimes division of Kiwanis International. Alan Sampson was not only a successful lawyer but an energetic and public spirited citizen.

LIEUTENANT COLONEL JAMES HENRY PEDLEY, M.C. (S.A.C. 1904-1909) who died on December 26th, 1945, at his home, Humber Bay, was Head Boy at St. Andrew's in 1907-1909 and went up to the University of Toronto with first class honours in English and Classics; he graduated with high standing in these subjects. After some experience as a reporter he went overseas in the First Great War as lieutenant with the 216th Battalion. In November, 1918, he received the Military Cross for conspicuous gallantry at Amiens. Returning to Canada he was called to the bar in 1919 and practised

law until 1927. In that year he published a book "Only This", a record of the he was president of the Laymen's Association of the Toronto Conference of war. From 1925 to 1928 he was in command of the Halton Rifles. In 1926 the United Church. Colonel Pedley was at one time a frequent contributor to newspapers and periodicals. In 1935 he was married to Miss Grace Evelyn Coates of Toronto. He is survived by his widow, a daughter, Diana Sharloch Pedley; and a son, James William Pedley.

ADAMS TOWER FERGUSSON (S.A.C. 1899-1905). Following a prolonged illness Adams Tower Fergusson, one of our oldest Andreans, died on March the 16th at his home, 70 Madison Avenue, Toronto. Tower Fergusson entered St. Andrew's in September 1899, at the age of eleven, and was the eighteenth boy on the roll. He was the grandson of the Hon. Adams Fergusson, one of the founders of Fergus, Ontario, and the son of the late Mr. E. Tower Fergusson. He was one of three brothers who attended St. Andrew's and had many friends. He matriculated in July, 1905, and entered the Faculty of Applied Science. In 1910 he was admitted to partnership in his father's brokerage firm at 21 King St. East. He served in the First Great War as an officer in the 18th Battalion and was awarded the Military Cross at Amiens. He was a member of Rosedale Presbyterian Church and of the Advisory Board of the Home for Incurable Children. He was unmarried and is survived by his mother, Mrs. G. Tower Fergusson, a brother, Neil C. Fergusson, also an old Andrean, and a sister, Miss Jessie Fergusson. His many old friends will mourn his death and remember Tower with sincere affection.

Minutes of the Annual Meeting of the St. Andrew's College Old Boys' Association. Held at the School on Saturday, June the First, 1946.

The President, Norman MacLeod, was in the Chair, and called the Meeting to order.

It was moved by MacLachlan, seconded by Bell, and carried: "Whereas the minutes of the last Annual Meeting have been published in the Review: moved that they be adopted without further reading."

The Treasurer, Joe Taylor, read his Report, the Financial Statement for 1946, period ending March 31st. He mentioned the acquisition of the Addressograph machine and the increase of \$500 in the Life Membership Fund. The adoption of the Report, as audited by Mr. T. B. Geggie, was proposed by the Chairman, seconded by MacLachlan, and carried.

The Chairman said that part of the Constitution had been suspended as a war-time measure, in order to allow greater latitude in the matter of length of service on the Council, and that this suspension was no longer required.

Proposed by Wheeler, seconded by Davies, and carried: "Whereas a unanimous vote at the Annual Meeting on May 29, 1943, suspended part of Art. 5 of the Constitution, dealing with length of service on the Council, this suspension being a war-time measure: be it resolved that this article be reinstated as it stands in the Constitution of March 1940."

The Chairman announced that Roy Lowndes, Henry Hamilton and Bill Adams had been elected as Representatives of the Old Boys' Association on the Board of Governors. He said that for some time many had felt that such men should be also on the Council to promote better co-ordination between these bodies.

Moved by Tom Forbes, seconded by McAvity, and carried: "That Old Boys who are members of the Board of Governors as elected Representatives of the Association shall, during their terms in such capacity, be ex-officio members of the Council."

A message of greeting from Pedro Martin in Mexico was read.

The Chairman voiced the gratitude of all for the Hospitality and attention shown us by the School, the Head and other Masters and their wives, the Boys and all the Staff. The War and war-work being over, our gratitude to the Ladies' Guild and the War Fund Committee is taken for granted without the usual resolution.

A vote of thanks for the wonderful supper set before us was moved by Ewart Whitaker, seconded by Ernie Chapman, and carried. The Secretary was asked to write a note of thanks to Miss Wickett.

Amid expressions of hearty approval the Chairman spoke of the debt to Joe Taylor, and of his energy and initiative in keeping the Association going so well during difficult years.

Moved by Kerman, seconded by Davies, and carried: "That the Association wishes to show its appreciation of the great work of Joe Taylor by making him a Life Member of the Association." (According to Art. 4 of the Const'n, such motion makes the one so honoured an Honorary Life Member).

The Headmaster, Kenneth Ketchum, was welcomed back in our midst again, after his years served with distinction in the application of academics in the Naval World; at the same time a tribute was paid to John Garrett for taking the helm during his absence and guiding the School through a trying period.

It was moved by Ed. Whitaker, seconded by Davies, and carried: that the Secretary should write a letter of thanks and appreciation to John Garrett on behalf of the Association.

The Secretary read the names of the Council for 1946-7. The list is appended to these minutes as part of the Notice of the Annual Meeting.

Moved by K. S. MacLachlan, seconded by Bill McPherson, and carried: "Whereas the Council has appointed new members to replace those retiring, and as due notice of an election has been given: be it resolved that this meeting approves the appointments listed."

Moved by Don Carrick, seconded by Doug Wood, and carried: a resolution of thanks to the retiring President, Norman MacLeod, to Tom Geggie for auditing the accounts, and to Lloyd Wood as Chairman of the Reunion Committee.

Norman MacLeod introduced the new President, Douglas Wood, who took the Chair, spoke a few words, and declared the meeting adjourned.

Norman M. MacLeod

President

Gibbs Blackstock

 Eric Grant (1905-07) Halifax, N.S.
Honorary Vice-Presidents: Gibbs Blackstock (1899-06) Toronto
 Joe Taylor (1909-17) Toronto

THE OLD BOYS REUNION

ON Saturday, June the first, about 125 Old Boys attended the long anticipated reunion at the School. For many it was their first visit since the end of war. The weather, which had been discouraging, cleared about noon and remained ideal for the rest of the day. An energetic committee had prepared an interesting programme and the occasion was one of the happiest and the most successful in the history of St. Andrew's.

A cricket match began early in the afternoon between the Old Boys and the present School. The Old Boys eleven, although composed of excellent material and some famous cricketers, were retired with a score of 58 and victory rested with the School. In the swimming contest 31 points were scored by the Old Boys and 19 by the School. The Mile Run was declared a dead heat, Ed Ballon of McGill and Joe Taylor, Jr. of Varsity opposing Gordon Ecclestone and Owen Edmonds of the School. An amusing divertissement was presented by the Middle twins.

Tea was served out of doors at four o'clock for the Old Boys and their wives.

The Cadet Corps parade which followed immediately was very much admired and enjoyed. It included a March Past with the Band playing and some very fine drill by the Precision Squad. The salute was taken by Dr. Macdonald

supported by Norman MacLeod, President of the Old Boys' Association, and two of the "Patriarchs" who had attended St. Andrew's in the first term of its existence in 1899.

At twenty minutes after six a short but impressive Service was held in the Chapel; prayers were said by Group Captain the Rev. Gilbert Lightbourn, the lesson was read by the Headmaster, and the list of the fallen was read by Dr. Robinson, after which the Last Post was sounded.

After a brief reception in the Headmaster's House, a buffet supper was served in the Dining Hall which was largely attended and so well arranged as to call forth many expressions of appreciation.

After the Toast to the King the President, Norman MacLeod, called for Mrs. Ketchum to come forward and receive in person the thanks of the Old Boys for her carefully planned hospitality. Mrs. Ketchum's health was then drunk and received with repeated cheers and smilingly acknowledged.

The Chairman then proposed a toast to the School, which was duly honoured and responded to by the Headmaster. Mr. Ketchum expressed his appreciation of Mr. John Garrett's work during his absence at the Naval College. He said that in spite of many problems inevitable after long war, solutions were being found by close co-operation of the School, the Board of Governors and the Old Boys. Foremost among these problems was the overcrowding which was at once a great difficulty and a great opportunity.

The announcement that Dr. Robinson was about to retire after forty-nine years of teaching, forty-seven of which have been at St. Andrew's, came as a surprise to the majority. In an apt impromptu speech Norman MacLeod proposed the health of Dr. Robinson who, in his best form, replied in a reminiscent vein.

The Silent Toast to the Fallen was then duly honoured.

The Annual Meeting followed the Supper in the Dining Hall.

Throughout this reunion the school in the widest sense was our host. We recognized the master hand of the Headmaster and the deft touch of his wife; the personal touch of masters and their wives which made it all a family affair rather than a routine gathering; we recognized too the efforts of the boys, who played or paraded or toiled (often unseen) for our entertainment.

We acknowledge all this and record our thanks.

Gibbs Blackstock

ENGAGEMENTS

Capt. Louis Wood Bedell to Miss Mary Petty Johnston.

MARRIAGES

McKAY-BLOCK—Mr. R.W. McKay to Miss Betty Joan Block on July 19th, 1945.

PRESTON-LARGE—Mr. J. C. Preston to Miss Margaret Spencer Large on November 24th, 1945.

McCLELLAND-MATCHETT—Lieut. John Gordon McClelland to Miss Elizabeth Ann Matchett on December 15th, 1945,

DENNYS-CHESTER—Mr. Arthur John Reginald Dennys to Miss Charmion Chester on December 22nd, 1945.

- GRAHAM-LORD—Dr. Allen Frederic Graham to Miss Helen Claire Lord on January 28th, 1946.
- HOUSSER-FERGUSON—Capt. John Graham Housser, M.C. to Miss Joy Yellon Ferguson on February 16th, 1946.
- DUNBAR-DREW-BROOK—Major Arthur Woodruff Dunbar to Miss Norine Estelle Drew-Brook on February 23rd, 1946.
- CODY-REED—Mr. Jay Cody to Miss Mary C. Reed on February 15th, 1946.
- AULD-MACLAREN—Mr. James Alexander Charles Auld to Miss Nancy Eleanor Gilmour Maclaren on May 3rd, 1946.
- KING-STEPHEN—Mr. Dale King to Miss Freda Stephen on April 18th, 1946.
- WILLIS-HAMMOND—Mr. Irwin Davidson Willis to Miss Helen Marie Hammond on May 3rd, 1946.

BIRTHS

- SHAPLEY—To Dr. and Mrs. J. M. Shapley on November 25th, 1945, a daughter.
- DOYLE—To Mr. and Mrs. Howard S. Doyle on December 14th, 1945, a son.
- KILGOUR—To Mr. and Mrs. Robert C. Kilgour Jr. on January 9th, 1946, a daughter.
- WRIGHT—To Mr. and Mrs. J. L. Wright on January 23rd, 1946, a son (William Andrew James).
- HOARE—To Mr. and Mrs. John G. Hoare on January 29th, 1946, a daughter.
- DINNICK—To Mr. and Mrs. Wilfrid Dinnick on February 9th, 1946, a daughter.
- LOFFT—To Mr. and Mrs. W. A. Loftt on February 12th, 1946, a daughter.
- BALDWIN—To Mr. and Mrs. George W. Baldwin on February 17th, 1946, a son.
- CHALMERS—To Mr. and Mrs. I. K. Chalmers on February 28th, 1946, a daughter.
- BANFIELD—To Mr. and Mrs. Arnold Banfield on March 5th, 1946, a son.
- DUNCANSON—To Mr. and Mrs. A. A. Duncanson on March 8th, 1946, a son.
- KINGSMILL—To Mr. and Mrs. C. D'Arcy Kingsmill on March 15th, 1946, a daughter.
- MACRAE—To Mr. and Mrs. J. M. Macrae on March 23rd, 1946, a son (Montye Bruce).
- DOYLE—To Mr. and Mrs. Edward Howard Doyle on March 26th, 1946, a son.
- BRYDON—To Mr. and Mrs. Bill Brydon on April 2nd, 1946, a daughter.
- ERICSON—To Mr. and Mrs. Albert C. Ericson on May 6th, 1946, a son.
- WHYTOCK—To Mr. and Mrs. James W. Whytock on May 11th, 1946, a son.
- Cox—To Mr. and Mrs. Alfred A. Cox on May 12th, 1946, a daughter.

**THE PIANO —****The Basic Instrument of all Music**

The student who starts on the piano gains a clear idea of the structure of music. He may ultimately wish to study the violin, or one of the stringed instruments. He may have a fancy for the brasses, or the woodwinds. His ambitions may run to voice, but with his knowledge of the piano he has the perfect grounding for his musical career. The piano teaches tone and pitch, and is therefore invaluable to the student. For tone is the very essence of music. Faulty tone leaves the soul dead. Perfect tone illuminates the mind and gives a wealth of colour to interpretation in which the composer imparts his message with vibrant effect.

A Message
to Old Boys

BETTER YOUR SON'S CHANCE OF SUCCESS

Your son will be better equipped to compete for his place in the world if he receives university training. You want him to be successful. Then, why not assure his education.

Investigate the Confederation Life Educational Plan today—it guarantees that, if you are not here when he is ready to go to University, money will be available and he will not be denied his education for lack of funds.
